

Notice to Bidders

Shelby County Government Purchasing Department currently utilizes an on-line bidding process for all sealed and regular bids with Mercury Commerce Solutions. This system is a fully automated on-line bidding process, via the Internet.

All vendors who wish to conduct business with Shelby County Government *are required to register with Mercury Commerce in order to be notified of on-line bids.* There is no charge for this registration, and it is easy to use. To register:

- Go to www.mercurycommerce.com
- Go to "Vendors / click here" area on the page
- Fill out the information requested
- Submit

If you have questions about the registration process, contact ESM Solutions at (877) 969-7246. If you have already registered with either Mercury Commerce Solutions or eSchoolMall (both ESM Solutions Companies), there is no need to register again.

If you have any other questions concerning this bidding process, please contact the Shelby County Government Purchasing Department, at (901) 545-4360.
