## **h. LOSB**

The County encourages the utilization of locally-owned small businesses as sources of subcontract work. The County notifies all respondents that all firms and/or individuals shall comply with the regulations relative to nondiscrimination in federally assisted programs of the Title VI of the Civil Rights Act of 1964, as amended.

### **LOCALLY OWNED SMALL BUSINESS PURCHASING PROGRAM RULES AND REGULATIONS:**

(i) The Administrator of Purchasing in conjunction with the Administrator of EOC shall identify certain goods and services required by the County to be set aside for special purchasing procedures for locally owned small businesses.

(ii) Only certified locally owned small businesses will be allowed to submit competitive bids on the goods or services identified under paragraph (I) above.

(iii) The Administrator of Purchasing shall, in conjunction with the Administrator of EOC, annually review the Shelby County Capital Improvement Program to determine those projects with a construction cost of \$250,000 or more. Contracts amounting to at least ten (10%) of the construction costs of such project shall be awarded to locally owned small businesses as defined herein, except as set forth in sub-paragraph (vi) of this section, either as part of the conditions of the solicitation for general contractors bidding on these projects, or as separate bids issued by the County for subcontracts that may be assigned to general contractors.

(iv) After adhering to all other bidding and purchasing requirements of the County, not inconsistent with this part, if no bids are received from locally owned small businesses, then the County may solicit bids for the goods or services from all other sources.

(v) On all purchases and/or contracts entered into by the County, the Purchasing Administrator or his or her designee shall have the right to negotiate with any supplier of goods or services to the County for the inclusion of locally owned small business subcontractors and/or suppliers in the contract award.

(vi) Failure by a supplier or contractor to include locally owned small business sub-contractors or suppliers in its bid or contract may be grounds for rejection of said bid or contract unless the supplier or contractor can show documented evidence of good cause why none were included.

(vii) Any locally owned small business awarded a contract or purchase order under this section shall not sublet, subcontract or assign any work or services awarded to it without the prior written consent of the Mayor or the Purchasing Administrator.

(viii) As to those purchases below the requirement for a formal bid solicitation (currently, under \$15,000) and not included in the locally owned small business set aside, the Administrator of Purchasing shall determine if any locally owned small business offers that product or service. If so, at least one such eligible locally owned small business should be included in the vendors contacted for an opportunity to bid, and the Administrator of Purchasing may, at his discretion, designate in a purchase order the purchase of such goods and services from the identified locally owned small business.

(ix) In those situations where a locally owned small business as defined herein, engages in open competitive bidding for County contracts, the Administrator of Purchasing shall provide for a preference for the locally owned small business where responsibility and quality are equal. Said preferences shall not exceed five percent (5%) of the lowest possible bidder meeting specifications. The preference shall be applied on a sliding scale in the following manner:

- a. A preference of up to five percent (5%) shall be allowed for contracts up to \$500,000.00;
- b. A preference of up to three and five-tenths percent (3.5%) shall be allowed for contracts up to \$750,000.00;
- c. A preference of two and one-half percent (2.5%) shall be allowed for contracts up to \$1,000,000.00;
- d. A preference of two percent (2%) shall be allowed for contracts that exceed \$1,000,000.00.

(x) For construction contracts over \$2,000,000.00, the Administrator of Purchasing shall provide for a preference of two percent (2%) to general contractors meeting the requirements of Section 1, Subparagraph B, if fifty percent (50%) or more of the total work comprising the bid has been or will be awarded to certified locally owned small businesses. The fifty percent subcontracting threshold must be met prior to contract execution.

(xi) The Administrator of Purchasing may divide a single bid package for any purchase of goods and services into two or more smaller bid packages in any case that the Administrator of Purchasing reasonably believes that the smaller bid packages will result in a greater number of bids by locally owned small businesses.

(xii) The Administrator of Purchasing, upon approval of the County Mayor, may establish special insurance and bonding requirements for certified locally owned small businesses so long as they are not in conflict with the laws of the State of Tennessee.

(xiii) The Administrator of Purchasing, with the approval of the County Mayor, shall adopt and promulgate, and may from time to time, amend rules and regulations not inconsistent with the provisions of this ordinance, governing the purchase of goods and services from locally owned small business concerns to effectuate and implement the Local ly Owned Small Business Purchasing Program within the intent of this ordinance.

(xiv) The Administrator of EOC shall, in conjunction with the Administrator of Purchasing, provide a written quarterly report to the Mayor and Board of Commissioners which shall include a summary of the purchases selected for this program, a listing of the contracts awarded to locally owned small businesses for the period, and the dollar amounts of each such contract, and the percentage which such contracts bear to the total amount of purchases for the period.

## **VII. GENERAL REQUIREMENTS**

### **a. Background**

In late 2008, Shelby County Government completed the region’s first agenda for sustainability with the Sustainable Shelby Implementation Plan. This plan established a strategic framework for action with regard to “green” initiatives in Shelby County. The plan was developed by 130 people participating in seven committees and a team of professional urban planners from the Memphis and Shelby County Office of Planning and Development. The seven committees included building codes; environment and natural resources; land use and development; neighborhood rebirth; public buildings and purchasing policy; public incentives; and transportation and traffic. For four months, committees sifted through hundreds of recommendations and ideas from sustainability best practices research. The final implementation plan resulted in 151 recommendations and was intended to be used as a living document to guide the region’s sustainable practices.

The Office of Sustainability, which was formed in April 2011, has been charged with the implementation and oversight of the Sustainable Shelby Plan. The Office is funded through an Energy Efficiency Community Block Grant (EECBG) from the Department of Energy (DOE). As a part of this grant, Shelby County Government made three commitments: (1) to form the Office of Sustainability; (2) to perform an Environmental Quality Assessment to determine the baseline air quality indicators for the region; and (3) to form a Green Building Task Force made up of real estate professionals to examine the existing building code and make recommendations on how it could become more sustainable. This RFP is being issued to procure a qualified consultant to work with the Green Building Task Force to identify potential building code and permitting revisions.

### **b. Scope of Contract**

The consultant will review the existing building, regulatory, and technical codes and make recommendations for how Memphis and Shelby County can become a regional leader for green buildings, sustainable development, and adaptive reuse of existing buildings. The consultant will be charged with conducting an extensive review of local building codes and relevant technical codes to identify existing regulatory or administrative obstacles to green building, sustainable development, and adaptive reuse. The consultant will also conduct a best practices review of existing model green building codes and make recommendations for the local adoption of a model green building code. The consultant will publish its findings and prepare written recommendations to the Green Building Task Force for removing barriers. The Task Force will be comprised of diverse representatives including real estate professionals, green building

experts, low-income housing providers and advocates, historic preservation advocates, utility providers, financial institutions, and other interested parties.

The County wishes to engage in a contractual relationship with the best-qualified consultant selected through a competitive process that will work well with the County's personnel. The Consultant must be prepared to begin immediately upon receipt of a Notice to Proceed

**c. Project Time Frame**

The term of the contract will be from the date of the award to June 30, 2012, with the option to renew for three (3) additional one (1) year periods.

**d. Reservation of Rights**

The County reserves the right, for any reason to accept or reject any one or more proposals, to negotiate the term and specifications for the services provided, to modify any part of the RFP, or to issue a new RFP.

**e. Selection Criteria**

Each response will be evaluated on the criteria outlined in Section VII of this document. Each respondent should set out in it's response to this RFP to clearly identify the qualifications of its company and each individual who will work on this project.

**Shelby County Government reserves the right to consider the vendor's EOC rating in all evaluations.**

**f. Additional Information and References**

Any additional information that would be helpful to the County in evaluating a proposal, including a list of current and former clients with a similar profile to Shelby County, should be submitted. At least three (3) former clients who have terminated in the last five (5) years should be included on this list.

**VIII. AWARD OF CONTRACT**

Proposers are advised that the lowest cost proposal will not necessarily be awarded the contract, as the selection will be based upon qualification criteria as deemed by the County and as determined by the selection committee and the County Mayor. The award may go to more than one respondent depending on response

**IX. PURPOSE**

To select the best-qualified firm and award a County approved contract for professional services to perform the services and to satisfactorily complete all activities associated with the Services.
