

RFP # 13-002-52
WASTE REMOVAL SERVICES
QUESTIONS & ANSWERS

Section VI. Proposal Conditions - Section G

Can you give us the current pricing in place for these locations? **Approx. \$ 85,485.12 per year.**

Who is the current hauler for the listed locations? **Waste Connection of Tennessee**

Section IX. Services Required – Sections regarding “Landfill:”

Are all haulers required to dispose of this waste directly into a Sub-Title D landfill facility or can they take to a “transfer station” that is then taken to a landfill?

Answer: Please refer the vendor to Section II. Minimum Requirements #10. And back to Section IX Services Required-Landfill. “A transfer station” is not included.

Minimum Proposer Requirements

Clarify all appropriate licenses and certifications required in the State of Tn. **When we say all appropriate licenses and certification, we mean you shall have all necessary licenses and certification to pickup and dispose of waste material in the State of Tennessee.**

My company maintains its’ office in Desoto County Ms. With 901 area code phone numbers. Will this be acceptable? **Where your office is located does not stop you from bidding or being awarded a bid.**
