MEMPHIS, TN 38106  
RFP 14-002-46  
Addendum No. 5  
March 24, 2014**

1. A structural analysis has been completed on the building and has resulted in RTU-4 being shifted approximately 6' to the east. See revised drawings M1 and M2 with revisions dated 3-24-14 indicating this change.
