

QUESTIONS AND ANSWERS
RFP # 15-007-02
EMERGENCY GENERATOR
PHASE 2

Do you have an estimated value or budget for the Shelby County Justice Center Generator Replacement Phase 2 - Shelby County Project?

Sorry but we do not divulge estimated value of projects.

We are inquiring about the Electrical Licenses that are required by the State of Tennessee.

1. We plan on using licensed Journeyman / Electricians from the local IBEW in Tennessee so that should meet our licensing requirements?

As our second option:

2. We would subcontract the electrical scope of work with a State of Tennessee licensed electrical contractor?

You will have to meet all licensing requirements by the County and State.
