h. LOSB

The County encourages the utilization of locally-owned small businesses as sources of subcontract work. The County notifies all respondents that all firms and/or individuals shall comply with the regulations relative to nondiscrimination in federally assisted programs of the Title VI of the Civil Rights Act of 1964, as amended.

LOCALLY OWNED SMALL BUSINESS PURCHASING PROGRAM RULES AND REGULATIONS:

(i) The Administrator of Purchasing in conjunction with the Administrator of EOC shall identify certain goods and services required by the County to be set aside for special purchasing procedures for locally owned small businesses.

(ii) Only certified locally owned small businesses will be allowed to submit competitive bids on the goods or services identified under paragraph (i) above.

(iii) The Administrator of Purchasing shall, in conjunction with the Administrator of EOC, annually review the Shelby County Capital Improvement Program to determine those projects with a construction cost of \$250,000 or more. Contracts amounting to at least ten (10%) of the construction costs of such project shall be awarded to locally owned small businesses as defined herein,

except as set forth in sub-paragraph (vi) of this section, either as part of the conditions of the solicitation for general Providers bidding on these projects, or as separate bids issued by the County for subcontracts that may be assigned to general Providers.

(iv) After adhering to all other bidding and purchasing requirements of the County, not inconsistent with this part, if no bids are received from locally owned small businesses, then the County may solicit bids for the goods or services from all other sources.

(v) On all purchases and/or contracts entered into by the County, the Purchasing Administrator or his or her designee shall have the right to negotiate with any supplier of goods or services to the County for the inclusion of locally owned small business subProviders and/or suppliers in the contract award.

(vi) Failure by a supplier or proposer to include locally owned small business subProviders or suppliers in its bid or contract may be grounds for rejection of said bid or contract unless the supplier or proposer can show documented evidence of good cause why none were included.

(vii) Any locally owned small business awarded a contract or purchase order under this section shall not sublet, subcontract or assign any work or services awarded to it without the prior written consent of the Mayor or the Purchasing Administrator.

(viii) As to those purchases below the requirement for a formal bid solicitation (currently, under \$15,000) and not included in the locally owned small business set aside, the Administrator of Purchasing shall determine if any locally owned small business offers that product or service. If so, at least one such eligible locally owned small business should be included in the vendors contacted for an opportunity to bid, and the Administrator of Purchasing may, at his discretion, designate in a purchase order the purchase of such goods and services from the identified locally owned small business.

(ix) In those situations where a locally owned small business as defined herein, engages in open competitive bidding for County contracts, the Administrator of Purchasing shall provide for a preference for the locally owned small business where responsibility and quality are equal. Said preferences shall not exceed five percent (5%) of the lowest possible bidder meeting specifications. The preference shall be applied on a sliding scale in the following manner:

- a. A preference of up to five percent (5%) shall be allowed for contracts up to \$500,000.00;
- b. A preference of up to three and five-tenths percent (3.5%) shall be allowed for contracts up to \$750,000.00;

- c. A preference of two and one-half percent (2.5%) shall be allowed for contracts up to \$1,000,000.00;
- d. A preference of two percent (2%) shall be allowed for contracts that exceed \$1,000,000.00.

(x) For construction contracts over \$2,000,000.00, the Administrator of Purchasing shall provide for a preference of two percent (2%) to general Providers meeting the requirements of Section 1, Subparagraph B, if fifty percent (50%) or more of the total work comprising the bid has been or will be awarded to certified locally owned small businesses. The fifty percent subcontracting threshold must be met prior to contract execution.

(xi) The Administrator of Purchasing may divide a single bid package for any purchase of goods and services into two or more smaller bid packages in any case that the Administrator of Purchasing reasonably believes that the smaller bid packages will result in a greater number of bids by locally owned small businesses.

(xii) The Administrator of Purchasing, upon approval of the County Mayor, may establish special insurance and bonding requirements for certified locally owned small businesses so long as they are not in conflict with the laws of the State of Tennessee.

(xiii) The Administrator of Purchasing, with the approval of the County Mayor, shall adopt and promulgate, and may from time to time, amend rules and regulations not inconsistent with the provisions of this ordinance, governing the purchase of goods and services from locally owned small business concerns to effectuate and implement the Locally Owned Small Business Purchasing Program within the intent of this ordinance.

(xiv) The Administrator of EOC shall, in conjunction with the Administrator of Purchasing, provide a written quarterly report to the Mayor and Board of Commissioners which shall include a summary of the purchases selected for this program, a listing of the contracts awarded to locally owned small businesses for the period, and the dollar amounts of each such contract, and the percentage which such contracts bear to the total amount of purchases for the period.

VII. GENERAL REQUIREMENTS

a. Background

The County wishes to engage in a contractual relationship with the best-qualified Consultant selected through a competitive process that will work well with the County's personnel in the performance of the Services in a manner that is cost-effective and practical. The Consultant must be prepared to begin immediately upon receipt of a Notice to Proceed. The term of the Contract for the Services shall be the twelve (12) month period beginning July 1, 2016 through June 30, 2017, with four (4) annual renewal options upon mutual agreement of both parties.

Established in 1984, the Juvenile Court Youth Services Bureau (YSB) operates pursuant to the administrative authority of the Judge of Juvenile Court. The mission of YSB is to develop, manage and supervise community-based programs for youth in Shelby County who require supervision by the Court. The bureau offers a variety of services including Case Management, Drug Offenders Control System and Intensive Case Management that are home confinement programs. Those juveniles adjudicated delinquent in court hearings are placed on probation for appropriate placement at various levels of electronic monitoring.

Program expansion initiated in 2015 includes pre-adjudicatory cases referred by Children's Bureau Corrective Services. A total of 6,200 delinquent cases were processed by Children's Bureau in 2015, with 968 of those being detained. Electronic monitoring would allow some youths to be released as an alternative to detention resulting in fewer cases assigned to secure detention.

With the increased emphasis being placed on detaining only the most serious offenders, there is a need for alternatives to detention to provide efficient, effective and flexible monitoring services for the benefit of the juveniles and the community.

b. Scope of Contract

The County wishes to engage in a contractual relationship with the best-qualified proposer selected through a competitive process that will work well with the County in the performance of the Services in a manner that is cost-effective and practical of which price is but one of the selection criteria.

The optional renewal periods will be upon mutual written consent of both parties. The proposer must be prepared to begin immediately upon receipt of a Notice to Proceed.

d. Reservation of Rights

The County reserves the right, for any reason to accept or reject any one or more proposals, to negotiate the term and specifications for the services provided, to modify any part of the RFP, or to issue a new RFP.

The County may at any reasonable time, at its expense, make an audit of the proposer's books relative to the Accounts.

e. Selection Criteria

At least three (3) former clients who have terminated in the last five (5) years should be included on this list.

VIII. AWARD OF CONTRACT

Proposers are advised that the lowest cost proposal will not necessarily be awarded the contract, as the selection will be based upon qualification criteria as deemed by the County and as determined by the selection committee and the County Mayor.

The award will be made to the proposer whose proposal is determined to be best in terms of professional and technical completeness. The selection process may, however, include a request for additional information or an oral presentation to support the written proposal.
