Temporary Supportive Living Services

TO ALL PROSPECTIVE BIDDERS:

The following questions were submitted by potential vendors
Our answers are listed in **RED** below:

Is there another RFP for outpatient mental health services such as IOP programs? **There is currently not another RFP out for outpatient mental health services. If you provide those services at your supportive living facility, please provide the information in response to section B-Service number 2.**

Pg 25 #7 If we aren't a large enough organization to require an external audit or financial review, would our last 990 filed with the IRS be sufficient? This was performed by our hired CPA. **Yes, the 990 is sufficient.**

Is the whole proposal supposed to be less than 7 pages in length or just the information for numbers 1-9 on page 25-26. For example, can our cost and fees, experience and references be outside of the 7 page limit? **This is for the information for 1-9 for the services section. The cost and fees along with the experience can be outside of the 7 page limit.**
