

RFP #17-009-09, Emergency Ambulance Services

EXHIBIT “A”

The Contractor shall provide a proposed cost for the following model:

This will be a Performance Based Response Agreement for providing Advanced Life Support (ALS) Coverage consisting of a minimum of twelve (12) Emergency Ambulances and adequate management and staffing to support the operation. This will consist of a twenty four (24) hours a day, seven (7) days a week operation.

ALS Coverage will consist of providing (911) Ambulance Responses, Treatment and Transport to the citizens of Shelby County, Tennessee. Response areas will include the following:

1. Unincorporated areas of Shelby County, Tennessee
2. City of Lakeland, Tennessee
3. Town of Arlington, Tennessee
4. City of Millington, Tennessee

These areas include approximately 381 square miles and a population of approximately 153,400 people. There are twelve medical hospitals in the Shelby County area; one is a level one trauma center, and there is one comprehensive children’s hospital.

This would require a minimal number of 10 full time (ALS) ambulances with an additional 2 reserve ambulances.

Ambulance responses would consist of approximately 10,000 to 10,500.
