TO ALL BIDDERS:

RE: **Addendum No. 1 to RFQ 14-007-08**
Congestion Mitigation Air Quality Program

Please note the following revisions and clarifications to the above referenced project:

Question 1: What is the duration of the project?

Question 2: Are there any deadlines for spending the money?

Answers to Questions 1 & 2: The deadline for project completion under the contract with the Tennessee Department of Transportation (TDOT) is June 30, 2017. The number of projects issued state wide may exceed funding levels, so it's imperative to deliver the projects as timely as possible.

Question 3: What is the budget for the project?

Answer: It is a multi-year, multi-phase construction project ranging from a few hundred thousand to over a million dollars.

Sincerely,

James M. Crook, E.I.
