Poplar Avenue & International Drive Access Easement Paving Project

TO ALL PROSPECTIVE BIDDERS:

The following questions were submitted by potential vendors. Our answers are listed in **red** below:

Question:

1. This bid is requesting 10% (LOSB) participation and while looking in the directory I do not see the craft needed listed. What does one do in that situation?

Answer:

1. Check Shelby County's EOC website for a list of LOSB vendors(www.shelbycountyttn.gov), to see if any of those perspective vendors can meet the needs / requirements for the "craft" you're seeking. **10% LOSB participation is required on this project.** If you require assistance with the site please feel free to contact the EOC office directly for LOSB vendor's assistance at 901-222-1100.
