Coverages j. Covered Property At Undescribed Premises, k. Covered Property in Transit and l. Covered Property Overseas are each subject to the applicable Limit of Insurance specified in the Supplemental Coverage Declarations for the coverage, but in no event will the Company pay more for loss or damage to any type of Covered Property than the amount that would have been paid if the loss or damage had occurred at or within 1000 feet of the Insured's premises.

2. COVERED COSTS AND EXPENSES

a. Debris Removal

- (1) The Company will pay the necessary and reasonable expense incurred by the Insured to remove debris of Covered Property, other than "Outdoor Property", caused by or resulting from a Covered Cause of Loss that occurs during the policy period.  - (a) The amount the Company pays for the direct physical loss or damage to the Covered Property; plus

This limit is part of and not in addition to the Limit of Insurance that applies to the lost or damaged Covered Property. But if:

- (a) (i) The sum of direct physical loss or damage and debris removal expense exceeds the Limit of Insurance; or
- (ii) The debris removal expense exceeds the above 25% limitation; and
- (b) A Limit of Insurance is specified in the Supplemental Coverage Declarations for Debris Removal (additional);

the Company will also pay an additional amount, up to the Limit of Insurance specified in the Supplemental Coverage Declarations for Debris Removal (additional) .

 - (b) Costs to remove, restore or replace polluted land or water.

b. Pollutant Cleanup and Removal

The Company will pay the necessary and reasonable expense incurred by the Insured to extract "pollutants" from land or water at the Insured's premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a "specified cause of loss" which occurs during the policy period.

Such expenses will be paid only if reported to the Company in writing within 180 days of the date on which the "specified cause of loss" occurs.

This Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But the Company will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most the Company will pay under this Coverage for the sum of all covered expenses arising out of all "specified cause of loss" occurrences that occur during each separate 12 month period of this policy is the Limit of Insurance specified for Pollutant Cleanup and Removal shown in the Supplemental Coverage Declarations.

c. Claim Data Expense

The Company will pay the reasonable expenses incurred by the Insured in preparing claim data required by the Company. This includes the cost of taking inventories, making appraisals and preparing other documentation to show the extent of loss. e. Fire Protective Equipment Discharge

If fire protective equipment discharges accidentally or to control a Covered Cause of Loss, the Company will pay the Insured's cost to:

- (1) Refill or recharge the system with the extinguishing agents that were discharged; and
- (2) Replace or repair faulty valves or controls that caused the discharge.

f. Ordinance or Law

If a Covered Cause of Loss occurs to Covered Property, the Company will pay for:

- (1) **The loss to the undamaged portion of a covered building** caused by the enforcement of any ordinance or law that:

- (b) Regulates the construction or repair of buildings, or establishes zoning or land use requirements at the Insured's premises; and
- (c) Is in force at the time of loss.

The most the Company will pay for loss or damage under this portion of Ordinance or Law is the Limit of Insurance specified for Ordinance or Law – Undamaged Portion shown in the Supplemental Coverage Declarations.

- (2) **The cost to demolish and clear the site of undamaged parts of the covered building** caused by the enforcement of building, zoning or land use ordinance or law.

The Company will not pay more for loss or damage under this portion of Ordinance or Law than the lesser of:

- (a) The amount the Insured actually spends to demolish and clear the site; or
- (b) The Limit of Insurance specified for Ordinance or Law – Demolition shown in the Supplemental Coverage Declarations.

- (3) **The increased cost to repair, rebuild or construct the Covered Property** caused by enforcement of building, zoning, land use or any other ordinance or law when the Covered Property is insured for replacement cost. If the covered building is repaired or rebuilt, it must be intended for similar occupancy as the current building, unless otherwise required by zoning or land use ordinance or law.

The Company will not pay for increased construction costs until the Covered Property is actually repaired or replaced, at the same location or elsewhere; and unless the repairs or replacement are made as soon as reasonably possible after the loss or damage but not to exceed 2 years. The Company may extend this period in writing during the 2 years.

The most the Company will pay for loss or damage under this portion of Ordinance or Law is the increased cost of construction repair or replacement:

- (a) Of a building of the same size and at the same premises, or another premises if required by the ordinance or law; and

A. COVERAGE

- Which are described in the most recent Statement of Values or other documentation on file with the Company; and

Covered Cause of Loss means risks of direct physical loss unless the loss is excluded in Section C., Exclusions; limited in Section D., Limitations; or excluded or limited in the Supplemental Coverage Declarations or by endorsement.

Coverage is provided as described below only when a Limit of Insurance is shown for Extra Expense in the Supplemental Coverage Declarations.

Coverage for Extra Expense will begin immediately after the action of the civil authority and will end 30 days after the date of the civil authority action.

2. "Dependent Property"

The insurance provided by this coverage form is extended to apply to the Extra Expense incurred by the Insured during the "period of restoration" due to direct physical loss or damage by a Covered Cause of Loss to property at the premises of a "dependent property" within the Policy Territory.

 - b. Any loss or damage to property while in due course of transit.
 - c. Any increase of loss caused by or resulting from delay in rebuilding, repairing or replacing the property or resuming “operations” due to interference at the location of the rebuilding, repair or replacement by strikers or other persons.
 - d. Any Extra Expense caused by or resulting from any suspended, lapsed or cancelled license, lease or contract beyond the “period of restoration”.
 - e. Any other consequential loss.

D. LIMITATIONS

Under Section E. of the Property Coverage Form, Limitation 2., which limits the amount the Company will pay for theft loss to specified types of personal property, does not apply to this coverage form. All other limitations contained in Section E. of the Property Coverage Form apply to this coverage form.

E. ADDITIONAL CONDITION

The following condition applies in addition to the conditions contained in the General Conditions.

Loss Determination

1. The amount of Extra Expense will be determined based on:
 - a. All reasonable and necessary expenses that exceed the normal operating expenses that would have been incurred by “operations” during the “period of restoration” if no direct physical loss or damage had occurred. The Company will deduct from the total of such expenses:
 - (1) The salvage value that remains of any property bought for temporary use during the “period of restoration”, once “operations” are resumed; and
 - (2) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
 - b. All necessary expenses that reduce the Extra Expense otherwise incurred.
2. The Company will reduce the amount of the Insured’s Extra Expense loss to the extent the Insured can return “operations” to normal and discontinue such Extra Expense.

3. If the Insured intends to continue the Insured's business, the Insured must resume all or part of the Insured's "operations" as quickly as possible. If the Insured does not resume "operations", or does not resume "operations" as quickly as possible, the Company will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

F. DEFINITIONS

The following definitions are in addition to those contained in the Property Coverage Form:

1. **"Dependent Property"** means property operated by others that the Insured depends on to:
 - a. Supply materials or services to the Insured, or to others for the account of the Insured (Contributing Locations). With respect to Contributing Locations, services do not mean utility services including but not limited to water supply services, communication supply services, or power supply services supplying electricity, steam or gas;
 - b. Accept the Insured's products or services (Recipient Locations);
 - c. Manufacture products for delivery to the Insured's customers under contract of sale (Manufacturing Locations); or
 - d. Attract customers to the Insured's business (Leader Locations).
2. **"Exhibition"** means the temporary display of personal property at a convention, exposition, trade show or similar event at a location not owned or regularly occupied by the insured.
3. **"Operations"** means the Insured's business activities occurring at the Insured's premises.
4. **"Period of Restoration"** means the period of time that:
 - a. Begins with the date and time of direct physical loss or damage to property at the insured premises caused by or resulting from a Covered Cause of Loss; and
 - b. Ends on the earlier of the following:
 - (1) The date when the property should be repaired, rebuilt or replaced with reasonable speed and similar quality; or
 - (2) The date when business is resumed at a new permanent location.
 - c. "Period of restoration" does not include any increased period required due to the enforcement of any ordinance or law that:
 - (1) Regulates the construction, use, repair or replacement, or requires the tearing down of any property, except as provided under the Ordinance or Law – Increased "Period of Restoration" Additional Coverage Extension; or
 - (2) Requires any Insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess, the effects of "pollutants".
 - d. The expiration date of this policy will not cut short the "period of restoration".
5. **"Suspension"** means the partial or complete cessation of the Insured's business "operations".

EARTHQUAKE, VOLCANIC ERUPTION, LANDSLIDE AND MINE SUBSIDENCE

This endorsement modifies the insurance provided under this policy.

A. The following are added to the Covered Causes of Loss and the “specified causes of loss”:

1. Earthquake, meaning a shaking or trembling of the earth's crust, caused by underground volcanic or tectonic forces or by breaking or shifting of rock beneath the surface of the ground from natural causes.
2. Volcanic Eruption, meaning the eruption, explosion or effusion of a volcano.
3. Landslide, meaning the rapid downward movement of a mass of rock, earth or artificial fill on a slope.
4. Mine Subsidence, meaning lateral or vertical ground movement caused by a failure initiated at the mine level of man-made underground mines, including but not limited to coal, clay limestone and fluospar mines.

All Earthquake shocks, Volcanic Eruptions, Landslides or Mine Subsidence ground movements that occur within any 168-hour period will constitute a single Earthquake, Volcanic Eruption, Landslide or Mine Subsidence. The expiration of this policy will not reduce the 168-hour period.

B. Under the Exclusions contained in Section D. of the Property Coverage Form:

1. The Earth Movement exclusion does not apply to the insurance specifically provided under this endorsement for loss or damage caused by Earthquake, Volcanic Eruption, Landslide and Mine Subsidence.
2. The Collapse of Buildings exclusion is amended to include Earthquake, Volcanic Eruption, Landslide and Mine Subsidence in the list of named causes of loss for which coverage for buildings in a state of imminent collapse applies.

All other exclusions and limitations in this policy continue to apply.

C. The following additional exclusions apply to this insurance:

1. The Company will not pay for loss or damage caused directly or indirectly by Flood, as defined in the Flood exclusion contained in Section D. of the Property Coverage Form, even if attributable to an Earthquake, Volcanic Eruption, Landslide or Mine Subsidence.
2. This insurance for Earthquake, Volcanic Eruption, Landslide and Mine Subsidence does not apply to, or modify any limits or deductibles that apply to:
 - a. The insurance otherwise provided for loss or damage by fire or explosion that results from an earth movement and for loss or damage by fire or “volcanic action” that results from a Volcanic Eruption; or
 - b. Any other insurance provided for loss or damage to which the Earth Movement exclusion does not apply.
3. The Company will not pay for loss or damage caused by or resulting from any Earthquake, Volcanic Eruption, Landslide or Mine Subsidence that begins before the inception of this insurance.
4. This insurance does not apply to the cost of restoring or remediating land or to loss resulting from the time required to restore or remediate land.

D. The most the Company will pay for the total of all loss or damage caused by Earthquake, Volcanic Eruption, Landslide and Mine Subsidence in any one policy year is the single highest Annual Aggregate Limit of Insurance specified for Earthquake, Volcanic Eruption, Landslide and Mine Subsidence shown in the Supplemental Coverage Declarations. This limit is part of, and does not increase, the Limits of Insurance that apply under this policy.

Subject to the single highest Annual Aggregate Limit of Insurance:

1. Any individual Annual Aggregate Limit of Insurance shown in the Supplemental Coverage Declarations for Earthquake, Volcanic Eruption, Landslide and Mine Subsidence is the most the Company will pay in any one policy year for all loss or damage to which that Limit of Insurance applies.

2. If more than one Annual Aggregate Limit of Insurance applies to loss or damage under this endorsement in any one occurrence, each limit will be applied separately, but the most the Company will pay under this endorsement for all loss or damage in that occurrence is the single highest Annual Aggregate Limit of Insurance applicable to that occurrence.
- E.** Under the Property Coverage Form, when a Building at the Insured's premises is Covered Property insured under this policy, the insurance provided under this endorsement is extended to apply to loss or damage to underground pipes, flues and drains at those premises caused by Earthquake, Volcanic Eruption, Landslide or Mine Subsidence. But this will not increase the limit that applies to this insurance.

FLOOD

This endorsement modifies insurance provided under this policy.

A. The following is added to the Covered Causes of Loss and the “specified causes of loss”:

Flood, meaning:

1. Flood, surface water, underground water, waves, tides, tidal waves, tsunamis, overflow of any body of water, or their spray, all whether driven by wind or not;
2. Mudslide or mudflow;
3. Release of water impounded by a dam; or
4. Water which backs up through sewers, drains or sumps;

all whether naturally occurring or due to man made or other artificial causes.

B. All Flood loss that occurs:

1. During a period of continued rising or overflow of any river(s), stream(s) or any body(ies) of water and the subsidence of same within the banks of such river(s), stream(s) or body(ies) of water; or
2. Due to any tidal waves or tsunamis that occur within any 168 hour period;

will constitute a single Flood occurrence.

If Flood loss commences prior to the expiration date of this policy and the Flood occurrence, as defined above, extends beyond the expiration date of this policy, the expiration of the policy will not reduce the Flood occurrence period.

C. Under the Exclusions contained in Section D. of the Property Coverage Form:

1. The Earth Movement exclusion does not apply to the insurance otherwise provided under this endorsement for loss or damage caused by or resulting from:
 - a. Mudslide or mudflow that is caused or precipitated by the accumulation of water on or below the surface of the ground; or
 - b. Flood that is attributable to an Earth Movement such as a tsunami.
2. The Flood exclusion does not apply to the insurance specifically provided under this endorsement.
3. The Collapse of Buildings exclusion is amended to include Flood in the list of named causes of loss for which coverage for buildings in a state of imminent collapse applies.

All other exclusions and limitations in this policy continue to apply.

D. The following additional exclusions apply to this insurance:

1. This insurance for Flood does not apply to, or modify any limits or deductibles that apply to:
 - a. The insurance otherwise provided for loss or damage by fire, explosion or leakage from fire protective equipment that results from Flood; or
 - b. Any other insurance provided for loss or damage by Flood to which the Flood exclusion does not apply.
2. The Company will not pay for loss or damage caused by or resulting from any Flood occurrence that begins before the inception of this insurance.
3. This insurance does not apply to the cost of restoring, recovering or de-watering land or to loss resulting from the time required to restore, recover or de-water land.

4. Unless otherwise specified in the Supplemental Coverage Declarations, this insurance for Flood does not apply to loss or damage to, or loss that is a consequence of loss or damage to:
 - a. Any building or structure or any property in the open if, at the time of loss, the building or structure or property in the open is, in whole or in part, located within Flood Zone A, Flood Zones prefixed A, Flood Zone V or Flood Zones prefixed V as classified under the National Flood Insurance Program; or
 - b. Any property in or on any building or structure if, at the time of loss, the building or structure in or on which such property is located is, in whole or in part, within Flood Zone A, Flood Zones prefixed A, Flood Zone V or Flood Zones prefixed V as classified under the National Flood Insurance Program.
- E.** If, at the time of loss, a building, a structure or property in the open is located within more than one Flood Zone, Flood coverage for loss or damage to, or loss that is a consequence of loss or damage to that building, structure or property in the open will be subject to the insurance, Annual Aggregate Limit of Insurance and deductible, if any, that would apply under this policy if that building, structure or property in the open was wholly located within the most hazardous of the Flood Zones, as defined below, in which it is located. The most hazardous Flood Zone that is determined to apply to a building or structure will also apply with respect to loss or damage to, or loss or damage that is a consequence of loss or damage to any property in or on such building or structure.
 The following listing of Flood Zones, as classified under the National Flood Insurance Program, is in order of the most hazardous to least hazardous:
 1. Flood Zone V and Flood Zones prefixed V;
 2. Flood Zone A and Flood Zones prefixed A;
 3. Flood Zone D;
 4. Flood Zone B, Flood Zone X (shaded) and Zone X-500;
 5. Flood Zone C and Flood Zone X.
- F.** The most the Company will pay for the total of all loss or damage caused by Flood in any one policy year is the single highest Annual Aggregate Limit of Insurance specified for Flood shown in the Supplemental Coverage Declarations. This limit is part of, and does not increase, the Limits of Insurance that apply under this policy.
 Subject to the single highest Annual Aggregate Limit of Insurance:
 1. Any individual Annual Aggregate Limit of Insurance shown in the Supplemental Coverage Declarations for Flood is the most the Company will pay in any one policy year for all loss or damage to which that Limit of Insurance applies.
 2. If more than one Annual Aggregate Limit of Insurance applies to loss or damage under this endorsement in any one occurrence, each limit will be applied separately, but the most the Company will pay under this endorsement for all loss or damage in that occurrence is the single highest Annual Aggregate Limit of Insurance applicable to that occurrence.
- G.** Under the Property Coverage Form, when a building at the Insured's premises is Covered Property insured under this policy, the insurance provided under this endorsement is extended to apply to loss or damage to underground pipes, flues and drains at those premises caused by Flood. But this will not increase the limit that applies to this insurance.

COMPUTER VIRUS

This endorsement modifies insurance provided under the Property Coverage Form, the Business Income Coverage Forms and the Extra Expense Coverage Form.

A. COVERED CAUSE OF LOSS – COMPUTER VIRUS AT THE INSURED’S PREMISES

Subject to the Computer Virus Limit of Insurance, Covered Causes of Loss are extended to include Computer Virus at the Insured’s premises, meaning intrusive codes or programming that are entered into the Insured’s computer system causing direct physical loss or damage to, or destruction of, “Electronic Data Processing Equipment” or “Electronic Data Processing Data and Media” at the Insured’s premises.

Exclusion D.1.f., Computer Virus, contained in the Property Coverage Form, does not apply to this Covered Cause of Loss.

B. COMPUTER VIRUS LIMIT OF INSURANCE

The most the Company will pay in any one occurrence for all loss or damage under all Coverage Forms caused by or resulting from Computer Virus at the Insured’s Premises is the Limit of Insurance specified for Computer Virus shown in the Supplemental Coverage Declarations.

FUNGUS, WET ROT, DRY ROT AND OTHER CAUSE OF LOSS CHANGES

This endorsement modifies the insurance provided under this policy.

- A. The EXCLUSIONS contained in Section D. of the Property Coverage Form are amended as follows. These changes apply to all Coverage Forms and endorsements in this policy that are subject to the exclusions contained in the Property Coverage Form.

1. The following exclusion is added to Section D.1.:

“FUNGUS”, WET ROT AND DRY ROT

- a. The Company will not pay for loss or damage, or any increase in the amount of loss or damage, caused directly or indirectly by, or resulting from, the presence, growth, proliferation, spread or any activity of “fungus”, wet rot or dry rot.

But if “fungus”, wet rot or dry rot results in a “specified cause of loss”, the Company will pay for the loss or damage caused by that “specified cause of loss”.

This exclusion does not apply:

- (1) When “fungus”, wet rot or dry rot results from fire or lightning; or
- (2) To the extent that coverage is provided in the Limited “Fungus”, Wet Rot and Dry Rot Coverage in b. below with respect to loss or damage by a cause of loss other than fire or lightning.

- b. Limited “Fungus”, Wet Rot and Dry Rot Coverage

- (1) The coverage described in b.(2) and b.(3) below only applies when the “fungus”, wet rot or dry rot is the result of a “specified cause of loss”, other than fire or lightning, that occurs during the policy period, and only if all reasonable means have been used to save and preserve the property from further damage at the time of and after the occurrence of the “specified cause of loss”.

The exclusion of loss or damage caused by or resulting from “fungus”, wet rot and dry rot in provision a. above does not apply to the insurance specifically provided under this coverage. But all other exclusions in this policy continue to apply to this Limited “Fungus”, Wet Rot and Dry Rot Coverage.

- (2) Limited “Fungus”, Wet Rot and Dry Rot Coverage – Direct Damage

- (a) The Company will pay for direct physical loss or damage to Covered Property caused by “fungus”, wet rot or dry rot, including:

- (i) The cost of removal of the “fungus”, wet rot or dry rot;
- (ii) The cost to tear out and replace any part of the building or other property as needed to gain access to the “fungus”, wet rot or dry rot; and
- (iii) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that “fungus”, wet rot or dry rot is present.

- (b) The coverage described in (2)(a) above is limited as follows:

- (i) The most the Company will pay under this coverage for all “fungus”, wet rot and dry rot loss or damage arising out of any one occurrence of “specified causes of loss” (other than fire or lightning) is the Limit of Insurance specified in the Supplemental Coverage Declarations for Limited “Fungus”, Wet Rot and Dry Rot Coverage – Direct Damage in any one occurrence. With respect to a particular occurrence of loss which results in “fungus”, wet rot or dry rot, the Company will

not pay more than this limit even if the “fungus”, wet rot or dry rot continues to be present or active, or recurs, in this or a later policy period.

- (ii) The most the Company will pay under this coverage for the total of all “fungus”, wet rot and dry rot loss or damage arising out of all “specified causes of loss” (other than fire or lightning) occurring during each separate 12 month period of this policy (starting with the beginning of the present annual policy period) is the aggregate Limit of Insurance specified in the Supplemental Coverage Declarations for Limited “Fungus”, Wet Rot and Dry Rot Coverage – Direct Damage in any one policy year.
 - (c) The coverage provided under this Limited “Fungus”, Wet Rot and Dry Rot Coverage – Direct Damage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by “fungus”, wet rot or dry rot, and other loss or damage, the Company will not pay more for the total of all loss or damage than the applicable Limit of Insurance on the Covered Property.
 - (d) If there is covered loss or damage to Covered Property that is not caused by “fungus”, wet rot or dry rot, loss payment will not be limited by the terms of this Limited “Fungus”, Wet Rot and Dry Rot Coverage – Direct Damage, except to the extent that “fungus”, wet rot or dry rot causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited “Fungus”, Wet Rot and Dry Rot Coverage – Direct Damage.
- (3) Limited “Fungus”, Wet Rot and Dry Rot Coverage – Business Income, Rental Value and Extra Expense

The following Limited “Fungus”, Wet Rot and Dry Rot Coverage provisions for Business Income, Rental Value and Extra Expense apply only if Business Income, Rental Value and/or Extra Expense coverage applies to the Insured’s premises and only if the suspension of “operations” satisfies all of the terms of the applicable Business Income, Rental Value and/or Extra Expense coverage:

- (a) If the loss which results in the “fungus”, wet rot or dry rot does not in itself necessitate a suspension of “operations”, but such suspension of “operations” is necessary due to loss or damage to property at the Insured’s premises caused by “fungus”, wet rot or dry rot, then the Company’s payment for Business Income, Rental Value and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
- (b) If a covered suspension of “operations” is caused by loss or damage at the Insured’s premises by other than “fungus”, wet rot or dry rot, but remediation of “fungus, wet rot or dry rot prolongs the “period of restoration”, the Company will pay for loss and/or expense sustained during the delay, regardless of when such a delay occurs during the “period of restoration”, but such coverage is limited to 30 days. The days need not be consecutive.

The coverage provided under this Limited “Fungus”, Wet Rot and Dry Rot Coverage – Business Income, Rental Value and Extra Expense is included in, and does not increase the applicable Business Income, Rental Value and/or Extra Expense Limit of Insurance.

- (4) The terms of this Limited “Fungus”, Wet Rot and Dry Rot Coverage do not increase or reduce the coverage provided under the Water Damage, Other Liquids, Powder or Molten Damage coverage in Section B.2.i. of the Property Coverage Form or the coverage provided for collapse of buildings or structures under the Collapse of Buildings exclusion in Section D.1.j. of the Property Coverage Form.

2. The exclusions contained in Section D.2. are amended as follows:

- a. Under exclusion D.2. c.(2), the reference to fungus, the reference to wet or dry rot and the reference to mold are deleted.
 - b. Exclusion D.2.I. is replaced by the following:
The Company will not pay for loss or damage caused by or resulting from:
 - (1) Continuous or repeated seepage, leakage or flow of water, or
 - (2) The presence or condensation of humidity, moisture or vapor;
 that occurs over a period of 14 days or more.
- B. The following is added to the LIMITATIONS contained in Section E. of the Property Coverage Form. This limitation applies to all Coverage Forms and endorsements in this policy that are subject to the limitations contained in the Property Coverage Form:
- The Company will not pay for loss of or damage to, or any loss that is a consequence of loss or damage to the interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:
- a. The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or
 - b. The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.
- Any portion of a building or structure that is within the exterior-facing surface material of a building or structure shall constitute the interior of that building or structure.
- C. The DEFINITIONS contained in Section G. of the Property Coverage Form are amended as follows. These definition changes apply wherever such defined terms are used in the policy.
- 1. The definition of "Specified Cause of Loss" is deleted and replaced by the following:
"Specified Cause of Loss" means any of the following: Fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; "sinkhole collapse"; volcanic action; falling objects as limited below; weight of snow, ice or sleet; or water damage as defined below; all only as otherwise insured against in this policy.
 - a. Falling objects does not include loss or damage to:
 - (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object. Any portion of a building or structure that is within the exterior-facing surface material of a building or structure shall constitute the interior of that building or structure.
 - b. Water damage means accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of any part of a system or appliance (other than a sump system including its related equipment and parts) containing water or steam.

"Specified Cause of Loss" also means any cause of loss that is specifically added to the "specified causes of loss" by endorsement, but only to the extent such cause of loss is insured against under this policy.
 - 2. The following definition is added:
"Fungus" means any type or form of fungus, including but not limited to mold or mildew, and any mycotoxins, spores, scents or byproducts produced or released by fungi.
- D. Under:

1. The Ordinance or Law coverage in Section B.2.f. of the Property Coverage Form;
2. The Ordinance or Law – Increased “Period of Restoration” Additional Coverage Extension in Section B.4. of the Business Income Coverage Form Including Extra Expense and the Business Income Coverage Form Excluding Extra Expense;
3. The Ordinance or Law – Increased “Period of Restoration” Additional Coverage Extension in Section B.3. of the Extra Expense Coverage Form; and
4. Any other Ordinance or Law or Ordinance or Law – Increased “Period of Restoration” coverage provided under this policy;

the following exclusion is added:

This coverage does not apply to:

- a. Loss caused by or resulting from the enforcement of any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to the presence, growth, proliferation, spread or any activity of “fungus”, wet rot or dry rot; or
- b. Costs associated with the enforcement of any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of “fungus”, wet rot or dry rot.

EXCLUSION OF NUCLEAR HAZARD, WAR, MILITARY ACTION AND PATHOGENIC OR POISONOUS BIOLOGICAL OR CHEMICAL MATERIALS

This endorsement modifies the insurance provided under this policy.

- A.** The Nuclear Hazard Exclusion is replaced by the following Exclusion. With respect to any form, endorsement or coverage to which the Nuclear Hazard Exclusion does not apply, that Exclusion is hereby added as follows.

NUCLEAR HAZARD

1. The Company will not pay for loss or damage caused directly or indirectly by nuclear reaction or radiation, or radioactive contamination, however caused. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.
2. With respect only to direct physical loss or damage to Covered Property occurring within the states of:

Arizona, California, Connecticut, Georgia, Hawaii, Idaho, Illinois, Iowa, Louisiana, Maine, Massachusetts, Michigan, Minnesota, Missouri, Nebraska, New Hampshire, New Jersey, New York, North Carolina, North Dakota, Oklahoma, Oregon, Pennsylvania, Rhode Island, Virginia, Washington, West Virginia, Wisconsin

the following exception to this Nuclear Hazard Exclusion applies:

If nuclear reaction or radiation, or radioactive contamination, results in fire, the Company will pay for the loss or damage caused by that fire. However, this exception for fire applies only to direct loss or damage by fire to Covered Property. This fire exception does not apply to any other insurance provided under this policy including, but not limited to, any insurance provided under this policy for Business Income, Rental Value, Extra Expense, Leasehold Interest or Legal Liability coverage.

In the event of loss or damage under this exception for fire, the value of the lost or damaged Covered Property will be determined at actual cash value at the time of loss, without allowance for any increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of the property. Any Ordinance or Law coverage provided under this policy does not apply to loss or damage under this exception for fire.

3. With respect to any activity that comes within the terms of the War and Military Action Exclusion and involves nuclear reaction or radiation, or radioactive contamination, the War and Military Action Exclusion supersedes this Nuclear Hazard Exclusion.
- B.** The War and Military Action Exclusion is replaced by the following Exclusion. With respect to any form, endorsement or coverage to which the War and Military Action Exclusion does not apply, that Exclusion is hereby added as follows.

WAR AND MILITARY ACTION

1. The Company will not pay for loss or damage caused directly or indirectly by the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.
 - a. Hostile or warlike action in time of peace or war, including action in hindering, combating or defending against an actual, impending or expected attack:
 - (1) By any government or sovereign power (de jure or de facto), or by any authority maintaining or using military, naval or air forces;
 - (2) By military, naval or air forces; or
 - (3) By an agent of any such government, power, authority or forces.

- b. Insurrection, rebellion, revolution, civil war, usurped power, or action taken by governmental authority in hindering, combating or defending against such an occurrence.

Any discharge, explosion or use of any weapon of war employing nuclear fission or fusion will be conclusively presumed to be such a hostile or warlike action by such a government, power, authority or forces.

- 2. With respect to any action that comes within the terms of this exclusion and:
 - a. Involves nuclear reaction or radiation, or radioactive contamination, this War and Military Action Exclusion supersedes the Nuclear Hazard Exclusion.
 - b. Involves a discharge, dispersal, seepage, migration, release, escape or application of any pathogenic or poisonous biological or chemical materials that comes within the terms of the Pathogenic or Poisonous Biological or Chemical Materials Exclusion, this War And Military Action Exclusion supersedes the Pathogenic or Poisonous Biological or Chemical Materials Exclusion.

C. PATHOGENIC OR POISONOUS BIOLOGICAL OR CHEMICAL MATERIALS

- 1. The Company will not pay for loss or damage caused directly or indirectly by the discharge, dispersal, seepage, migration, release, escape or application of any pathogenic or poisonous biological or chemical materials. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.
- 2. With respect only to direct physical loss or damage to Covered Property occurring within the states of:

Arizona, California, Connecticut, Georgia, Hawaii, Idaho, Illinois, Iowa, Louisiana, Maine, Massachusetts, Michigan, Minnesota, Missouri, Nebraska, New Hampshire, New Jersey, New York, North Carolina, North Dakota, Oklahoma, Oregon, Pennsylvania, Rhode Island, Virginia, Washington, West Virginia, Wisconsin

the following exception to this Pathogenic or Poisonous Biological or Chemical Materials Exclusion applies:

If the discharge, dispersal, seepage, migration, release, escape or application of any pathogenic or poisonous biological or chemical materials results in fire, the Company will pay for the loss or damage caused by that fire. However, this exception for fire applies only to direct loss or damage by fire to Covered Property. This fire exception does not apply to any other insurance provided under this policy including, but not limited to, any insurance provided under this policy for Business Income, Rental Value, Extra Expense, Leasehold Interest or Legal Liability coverage.

In the event of loss or damage under this exception for fire, the value of the lost or damaged Covered Property will be determined at actual cash value at the time of loss, without allowance for any increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of the property. Any Ordinance or Law coverage provided under this policy does not apply to loss or damage under this exception for fire.

- 3. This exclusion does not apply when both 3.a. and 3.b. below apply:
 - a. The pathogenic or poisonous biological or chemical materials are normally kept at or brought onto:
 - (1) The Insured's premises, with the Insured's consent, for use in the Insured's business operations at the Insured's premises; or
 - (2) Any premises, other than the Insured's premises, by others for use in conducting their valid business operations at such premises;
 - and

- b. The discharge, dispersal, seepage, migration, release, escape or application of the pathogenic or poisonous biological or chemical materials is accidental and is not the result of a willful or malicious act against any persons, organizations or property of any nature;
- but all other exclusions continue to apply.
- 4. With respect to any action that comes within the terms of the War And Military Action Exclusion and involves a discharge, dispersal, seepage, migration, release, escape or application of any pathogenic or poisonous biological or chemical materials that comes within the terms of this Pathogenic or Poisonous Biological or Chemical Materials Exclusion, the War and Military Action Exclusion supersedes this Pathogenic or Poisonous Biological or Chemical Materials Exclusion.

EXCLUSION OF LOSS DUE TO VIRUS OR BACTERIA

This endorsement modifies the insurance provided under this policy

- A.** The exclusion set forth in Paragraph B. below applies to all coverage under all forms and endorsements that comprise this policy, including but not limited to forms or endorsements that cover property damage to buildings or personal property and forms or endorsements that cover business income, extra expense, rental value or action of civil authority.
- B.** The Company will not pay for loss or damage caused by or resulting from any virus, bacterium or other microorganism that induces or is capable of inducing physical distress, illness or disease.
- C.** With respect to any loss or damage subject to the exclusion in Paragraph B. above, such exclusion supersedes any exclusion relating to "pollutants".
- D.** The terms of the exclusion in Paragraph B. above, or the inapplicability of this exclusion to a particular loss, do not serve to create coverage for any loss that would otherwise be excluded under this policy.

BUILDERS RISK

This endorsement modifies insurance provided under the Property Coverage Form.

A. The following is added to Section B. 1. Covered Property:

Builders Risk Property

1. This insurance applies to direct physical loss or damage by a Covered Cause of Loss to Builders Risk Property, as described in 2. below, while at any of the following locations for which a Builders Risk Limit of Insurance is shown in the Supplemental Coverage Declarations:

- a. At a Construction Site described in the Supplemental Coverage Declarations, the most recent Statement of Values or other documentation on file with the Company;
- b. At any temporary storage location; or
- c. In transit.

This insurance also applies to the necessary and reasonable expenses incurred by the Insured to reprepare, reexcavate or regrade land or reperform similar land work at a covered Construction Site due to direct physical loss or damage at the Construction Site caused by or resulting from a Covered Cause of Loss. This coverage is subject to, and will not increase the Limit of Insurance that applies to the Construction Site.

2. Builders Risk Property means the following types of property that are owned by the Insured or for which the Insured is liable:

- a. Buildings or structures in the course of construction;
- b. Building materials and supplies, equipment, machinery and fixtures intended to become a permanent part of the buildings or structures in the course of construction; and
- c. Construction forms, cribbing, scaffolding and temporary structures used in the construction of the buildings or structures.

Under the list of Property and Costs Not Covered in Section C. of the Property Coverage Form, the exclusion of underground tanks, pipes, flues and drains does not apply to Builders Risk Property.

3. With respect to each covered building or structure in the course of construction, this coverage for Builders Risk Property will end when any of the following first occurs:
 - a. 30 days expire after the building or structure is occupied or put to its intended use;
 - b. 30 days expire after construction is complete;
 - c. Any other insurance covers the property as a completed building or structure;
 - d. The Construction Site is abandoned with no intent to complete it;
 - e. The Insured's interest in the property ceases; or
 - f. This policy expires or is cancelled.
4. This coverage for Builders Risk Property does not apply to any loss or damage that is covered under any guarantee of any contractor, manufacturer or supplier, whether or not such contractor, manufacturer or supplier is a Named Insured under this policy.

B. The following additional changes apply to Section B. 1. Covered Property:

1. Items B.1.a., Building(s), and B.1.b., Business Personal Property, do not include Builders Risk Property.
2. Item B.1.g., Newly Constructed or Acquired Property, is amended as follows:

When the Construction Sites and the Limit of Insurance applicable to each Construction Site are specifically identified on the Supplemental Coverage Declarations for Builders Risk coverage, the Newly Constructed or Acquired Property coverage applies to new Construction Sites, except that the most the Company will pay for loss or damage at any one new Construction Site is the highest Builders Risk Limit of Insurance indicated in the Supplemental Coverage Declarations for a specifically identified Construction Site.

When the Construction Sites are not specifically identified, and a maximum Limit of Insurance at any one Construction Site, subject to a maximum Limit of Insurance at all Construction Sites, is indicated in the Supplemental Coverage Declarations for Builders Risk coverage, the Newly Constructed or Acquired Property coverage applies at new Construction Sites, except that the most the Company will pay for loss or

damage at any one new Construction Site is the Maximum Limit of Insurance at any one Construction Site indicated in the Supplemental Coverage Declarations.

3. Item B.1.j., Covered Property at Undescribed Premises, does not apply to any Builders Risk Property.
4. When a Builders Risk Limit of Insurance is shown in the Supplemental Coverage Declarations for Property in Transit, the provisions of item B.1.k., Covered Property in Transit, apply to Builders Risk Property. But the most the Company will pay for loss or damage to Builders Risk Property in the due course of transit is the Builders Risk Limit of Insurance shown in the Supplemental Coverage Declarations for Property in Transit.

SOFT COSTS

This endorsement modifies insurance provided under the Property Coverage Form, but only with respect to the insurance provided by separate endorsement for Builders Risk and/or Renovation Projects.

The following is added to Section B. 2. Covered Costs And Expenses:

Soft Costs Coverage

1. This policy is extended to apply to the actual Soft Costs, as described in 2. below, which the Insured incurs due to a delay in the completion of the construction or renovation project at any Construction Site or Renovation Site to which the Builders Risk or Renovation Projects coverage under this policy applies. The delay must be caused by direct physical loss or damage to:

- a. Builders Risk Property, as defined in the Builders Risk endorsement, when applicable; or
- b. Renovation Project Property, as defined in the Renovation Projects endorsement, when applicable;

caused by or resulting from a Covered Cause of Loss.

This coverage applies to the Soft Costs the Insured incurs during the period of time that begins on the date the construction or renovation project would have been completed had there been no direct physical loss or damage to the property, and continues for the shorter of the following periods:

- a. The period of time between:
 - (i) The date of direct physical loss or damage to the Builders Risk Property or Renovation Project Property; and
 - (ii) The date the property should have been repaired, rebuilt or replaced with reasonable speed and similar quality;
 or
- b. The period of time that the completion of the construction or renovation project is actually delayed.

This period of time will not be limited by the expiration date of this policy.

2. Soft Costs, as used in this coverage, means the necessary and reasonable additional expenses the Insured incurs for any of the following that are over and above the expenses the Insured would have incurred had there been no direct physical loss or damage:

- a. Interest on money borrowed to finance construction or repair;
- b. Real estate and property taxes;
- c. Architect, engineering and consultant fees;
- d. Legal and accounting fees;
- e. Advertising and promotional expenses; and
- f. Rental or lease of construction equipment.

3. The Company will also pay for the actual Soft Costs which the Insured incurs due to a delay in the completion of the construction or renovation project at any Construction Site or Renovation Site to which the Builders Risk or Renovation Project Coverage under this policy applies, caused by a civil authority action that prohibits access to the Construction Site or Renovation Site. The civil authority action must be due to direct physical loss or damage to property at locations other than the Construction Site or Renovation Site, caused by or resulting from a Covered Cause of Loss.

This civil authority action coverage applies to the Soft Costs the Insured incurs during the period of time that begins on the date the construction or renovation project would have been completed had there been no civil authority action prohibiting access to the Construction Site or Renovation Site, and continues for the shorter of the following periods:

- a. The period of time access to the Construction Site or Renovation Site is prohibited by the civil authority action, subject to a maximum of 30 days or, if an hourly deductible applies to Soft Costs coverage, subject to a maximum of 30 days after the hourly deductible is exhausted; or
- b. The period of time that the completion of the construction or renovation project is actually delayed.

This period of time will not be limited by the expiration date of this policy.

4. This insurance provided for Soft Costs does not apply to:
 - a. Any increase in the Soft Costs incurred due to:
 - (1) The suspension, lapse or cancellation of any lease, license, or contract beyond the period of time this coverage applies;
 - (2) Interference by strikers or other persons with the:
 - (a) Transportation of property to be used in the construction or renovation project;
 - (b) Rebuilding, repair, replacement or completion of the construction or renovation project; or
 - (c) Occupancy or use of the premises; or
 - (3) Any additional time required to rebuild, repair or replace the property caused by the necessity to make improvements to correct faults, inadequacies or defects in the project design, specifications, construction or renovation.
 - b. Any other consequential loss.
5. The most the Company will pay for loss in any one occurrence under this coverage is the applicable Limit of Insurance specified for Soft Costs shown in the Supplemental Coverage Declarations.
6. When an hourly deductible is specified for Soft Costs in the Supplemental Coverage Declarations, the Company will not be liable for loss under this coverage until the delay in the completion of the construction or renovation project exceeds the specified number of hours. The Company will then pay only for the Soft Costs the Insured incurs during the remaining period of time the Soft Costs coverage applies, up to the applicable Limit of Insurance.
7. The Insured must make every reasonable effort to avoid or minimize the delay in the completion of the construction or renovation project. The Company will pay reasonable expenses the Insured incurs to reduce the amount of loss otherwise payable under this coverage, but only to the extent the amount of loss is actually reduced.

CONTRACTORS EQUIPMENT

This endorsement modifies insurance provided under the Property Coverage Form.

The following coverage is added:

Contractors Equipment

- A. The Company will pay for direct physical loss or damage by a Covered Cause of Loss to Contractors Equipment, as described in B. below, that is:
1. The Insured's property or property of others in the care, custody or control of the Insured; and
 2. Described in the most recent Schedule of Contractors Equipment or other documentation on file with the Company;
- while the property is at the insured premises or away from the insured premises, or in the due course of transit, within the Policy Territory.
- B. As used in this endorsement, Contractors Equipment means mobile machinery and equipment that is:
1. Used by the Insured for the purpose for which it was designed and manufactured; and
 2. Used in the Insured's business.
- C. The Company will also provide each of the following Additional Coverage Extensions for which a Limit of Insurance is shown in the Supplemental Coverage Declarations:

1. Newly Acquired Contractors Equipment

The insurance provided for Contractors Equipment is extended to apply to direct physical loss or damage by a Covered Cause of Loss to newly acquired Contractors Equipment. This coverage will end when one of the following first occurs:

- a. This policy is canceled or expires;
- b. 60 days expire from the date of such acquisition;
- c. The property is reported to the Company; or
- d. The property is more specifically insured elsewhere.

The Company will charge the Insured an additional premium for Contractors Equipment values reported from the date that the Insured acquires the property.

The most the Company will pay for loss or damage in any one occurrence under this coverage is the Limit of Insurance specified for Newly Acquired Contractors Equipment shown in the Supplemental Coverage Declarations.

2. Equipment Rental Expense

- a. In the event of covered loss or damage to Contractors Equipment by a Covered Cause of Loss, the Company will pay any necessary and reasonable expenses incurred by the Insured for the rental of temporary substitute Contractors Equipment to continue, as nearly as practicable, the Insured's operations on work in progress or under contract.
- b. Payment under this coverage is limited to such expenses incurred during the period of time that:
 - (1) Begins one working day after the date the direct physical loss or damage is reported to the Company, meaning a period of twenty four consecutive hours of a normally scheduled workday beginning at midnight on the date the loss is reported to the Company; and
 - (2) Ends on the earlier of the following dates:

- (a) The date the damaged Contractors Equipment should be repaired or replaced with reasonable speed and similar quality; or
- (b) The date the need for the substitute equipment ceases to exist.

The expiration date of this policy will not cut short the Rental Expense.

- c. This coverage does not apply to:
 - (1) Any expense if the Insured has suitable substitute equipment available to continue operations;
 - (2) Any expense for the rental of equipment not of the same type or not to be used for the same purpose as the equipment for which it is substituted; or
 - (3) Any loss of market, loss of income or any other consequential loss.
 - d. The most the Company will pay for loss or damage in any one occurrence under this coverage is the Limit of Insurance specified for Equipment Rental Expense shown in the Supplemental Coverage Declarations.
- D. The following changes apply to Section B. 1. of the Property Coverage Form:
- 1. Items B.1. b., Business Personal Property, and B. 1. j., Covered Property at Undescribed Premises, do not include Contractors Equipment.
 - 2. Item B.1.g., Newly Constructed or Acquired Property, does not apply to newly acquired Contractors Equipment.
 - 3. The provisions of item B.1.k., Covered Property in Transit, apply to the insurance provided under this endorsement for Contractors Equipment in the due course of transit. But the most the Company will pay for loss or damage to such property is subject to the Limits of Insurance described in Section G. of this endorsement.
- E. All of the Property and Costs Not Covered in Section C. of the Property Coverage Form apply to the insurance provided under this endorsement, except:
- 1. Item C. 7. is replaced by the following:
Vehicles or self-propelled machines that are licensed for road use.
 - 2. The following items are added as property not covered:
 - a. Any Contractors Equipment while leased, rented or loaned to others;
 - b. Any Contractors Equipment while underground or underwater;
 - c. Any Contractors Equipment while waterborne, except while in the due course of transit;
 - d. Tires unless the loss or damage to the tires is coincident with other covered loss or damage to the Contractors Equipment; or
 - e. "Electronic data processing equipment" unless the "electronic data processing equipment" is an integral part of the Contractors Equipment.
- F. With respect only to the insurance provided under this endorsement, the following exclusion is added to the exclusions in Section D. of the Property Coverage Form:
- The Company will not pay for loss or damage caused by or resulting from:
- 1. The weight of a load exceeding, at the time of loss, the maximum lifting or operating capacity established by the manufacturer for the property; or
 - 2. Work upon or service of the Contractors Equipment, but if loss or damage by fire or explosion results, the Company will pay for loss or damage to the Contractors Equipment caused by the resulting fire or explosion.

G. The most the Company will pay in any one occurrence under this endorsement for loss or damage to Contractors Equipment, other than newly acquired Contractors Equipment, is the applicable Limit of Insurance specified for Contractors Equipment shown in the Supplemental Coverage Declarations. The Limits of Insurance that apply to the Newly Acquired Contractors Equipment and Equipment Rental Expense Additional Coverage Extensions apply in addition to the Contractors Equipment Limit(s) of Insurance.

H. The valuation provisions of this policy are amended by the following:

In the event of a covered loss or damage, the Company will determine the value of Contractors Equipment at Actual Cash Value, meaning the cost to repair, rebuild or replace the lost or damaged property, at the time and place of the loss, with other property of comparable size, material and quality, less allowance for physical deterioration, depreciation, obsolescence and depletion.

UTILITY SERVICES—DIRECT DAMAGE

This endorsement modifies insurance provided under the Property Coverage Form. But this endorsement does not apply to, or amend any limits that otherwise apply for, loss or damage to Accounts Receivable records or to Valuable Papers and Records caused by the interruption, failure or fluctuation of power or utility service.

- A. The Company will pay for loss or damage to Covered Property at the Insured's premises caused by the interruption, failure or fluctuation of service to the Insured's premises. The interruption, failure or fluctuation must result from direct physical loss or damage by a Covered Cause of Loss to Utility Supply Services Property, as defined in B. and C. below, not at the Insured's premises.
- B. As used in this endorsement, Utility Supply Services Property means:
 - 1. **Water Supply Services Property**, meaning the following types of property supplying water to the Insured's premises:
 - a. Water treatment plants;
 - b. Water tanks;
 - c. Water mains; and
 - d. Pumping stations.
 - 2. **Communication Supply Services Property**, meaning property supplying communication services, including telephone, radio, microwave or television services, to the Insured's premises, such as:
 - a. Communication transmission lines (including optic fiber transmission lines), other than overhead transmission lines;
 - b. Coaxial cables; and
 - c. Microwave radio relays except satellites.
 - 3. **Power Supply Services Property**, meaning the following types of property supplying electricity, steam or gas to the Insured's premises:
 - a. Utility generating plants;
 - b. Switching stations;
 - c. Substations, pumping stations;
 - d. Transformers;
 - e. Transmission lines, other than overhead transmission lines; and
 - f. Tanks.
- C. When:
 - 1. Overhead Transmission Lines are indicated as included in the Supplemental Coverage Declarations; or
 - 2. An Overhead Transmission Lines Limit of Insurance is specified in the Supplemental Coverage Declarations;

Utility Supply Services Property also includes **Overhead Transmission Lines**, meaning overhead power transmission lines supplying electricity, steam or gas to the Insured's premises and overhead communication lines supplying communication services to the Insured's premises.
- D. All of the exclusions that apply to the Property Coverage Form apply to this coverage except exclusion D.1.i., Off Premises Utility Services. In addition, the Company will not pay for any loss or damage under this coverage if the loss or damage to the Utility Supply Services Property results from any deliberate act or acts by the supplying utility to shed load or to maintain system integrity.
- E. The most the Company will pay for loss or damage under this coverage is the Limit of Insurance specified for Utility Services - Direct Damage shown in the Supplemental Coverage Declarations. But the Company will not pay more for loss or damage to any Covered Property than the Limit of Insurance that applies to that Covered Property.

If a separate Overhead Transmission Lines Limit of Insurance is specified for this coverage in the Supplemental Coverage Declarations, the Overhead Transmission Lines Limit of Insurance is part of, and not in addition to the Utility Services – Direct Damage Limit of Insurance shown in the Supplemental Coverage Declarations.

UNREPORTED PREMISES -- DIRECT DAMAGE

This endorsement modifies insurance provided under the Property Coverage Form.

The following coverage is added:

Unreported Premises

- A.** The Company will pay for direct physical loss or damage to Covered Property at an Unreported Premises, as defined in B. below, caused by or resulting from a Covered Cause of Loss.
- B.** As used in this endorsement, Unreported Premises means fixed locations within the Policy Territory that are owned, leased or regularly operated by the Insured, but are not described in the most recent Statement of Values or other documentation on file with the Company. But Unreported Premises do not include:
 - 1. Any premises that the Insured acquires or becomes required to insure during the policy period, including new sites where construction or renovation projects are being performed;
 - 2. Any "exhibition" location; or
 - 3. Any premises that are otherwise insured under this policy.
- C.** This coverage does not apply to any loss or damage to which any other coverage provided under this policy applies, regardless of whether the Limit of Insurance applicable to such other coverage is adequate to cover the loss or damage.
- D.** The most the Company will pay in any one occurrence under this coverage for loss or damage at any one Unreported Premises is the per location Limit of Insurance shown in the Supplemental Coverage Declarations for Unreported Premises – Direct Damage. But in no event will the Company pay more for loss or damage to any type of Covered Property than the amount that would have been paid if the loss or damage had occurred at or within 1000 feet of any of the Insured's premises described in the most recent Statement of Values or other documentation on file with the Company.

The most the Company will pay for loss or damage in any one occurrence under this coverage, regardless of the number of Unreported Premises involved, is the Maximum at all Unreported Premises Limit of Insurance shown in the Supplemental Coverage Declarations for Unreported Premises – Direct Damage.

PRESERVATION AND PROTECTION OF PROPERTY

This endorsement modifies the insurance provided under Property Coverage Form.

1. The Preservation of Property coverage in Section B.2.g. is replaced by the following:

g. Preservation of Property

- (1) If it becomes necessary to temporarily move Covered Property from insured premises to preserve it from the threat of imminent loss or damage by a Covered Cause of Loss, the Company will pay for any direct physical loss or damage to Covered Property while it is being moved from an insured premises, while temporarily stored at another location or while it is being moved back to an insured premises.
- (2) This Coverage will apply only if the loss or damage occurs within 90 days after the property is first moved and will cease when the policy is amended to provide insurance at the new location, the property is returned to the existing location, or this policy is cancelled or expires, whichever occurs first.
- (3) Payment under this Coverage is included in, and does not increase, the applicable Covered Property Limit of Insurance.

2. The Protection of Property coverage in Section B.2.h. is replaced by the following:

h. Protection of Property

- (1) If it becomes necessary to temporarily move Covered Property from insured premises to preserve it from the threat of imminent loss or damage by a Covered Cause of Loss the Company will pay for the necessary and reasonable expenses actually incurred by the Insured to remove the Covered Property from the insured premises and to move the Covered Property back to the insured premises within a reasonable time after the threat of imminent loss or damage to the property by the Covered Cause of Loss passes.
- (2) The Company will also pay for other necessary and reasonable expenses actually incurred by the Insured to temporarily safeguard Covered Property against the threat of imminent direct physical loss or damage by any of the "specified causes of loss".
- (3) The most the Company will pay under this Coverage for the sum of all expenses incurred due to the threat of loss or damage from any one occurrence is \$250,000, subject to the following:
 - (a) This Limit of Insurance is an additional amount of insurance that is not subject to, and does not reduce, the Covered Property Limits of Insurance. Under Section O. LIMITS OF INSURANCE in the General Conditions, Protection of Property is deleted from the list of Covered Costs and Expenses that will not increase the applicable Covered Property Limit(s) of Insurance. But if this policy is subject to a Policy Limit, the Limit of Insurance applicable to this Coverage is included in, and does not increase, the Policy Limit shown in the Supplemental Coverage Declarations.
 - (b) When Earth Movement, Earthquake, Earthquake Sprinkler Leakage, Volcanic Eruption, Landslide or Mine Subsidence is a "specified cause of loss" under this policy, the Company's payment for the sum of all expenses incurred due to the threat of loss or damage from all threatened occurrences of all such "specified causes of loss" in any one policy year will not exceed \$250,000. This Limit of Insurance is not subject to, and does not reduce, the Limits of Insurance that apply to such "specified causes of loss".
 - (c) When Flood is a "specified cause of loss" under this policy, the Company's payment for the sum of all expenses incurred due to the threat of loss or damage from all threatened occurrences of such "specified cause of loss" in any one policy year will not exceed \$250,000. This Limit of Insurance is not subject to, and does not reduce, the Limit of Insurance that applies to such "specified cause of loss".
 - (d) If the threat of imminent direct physical loss or damage to Covered Property from the same occurrence spans over multiple policy years, only the limit that applies in the policy

year in which the expenses are first incurred by the Insured will apply to the insurance provided for expenses incurred due to the threat of loss or damage from that occurrence.

- (4) This Coverage is subject to the deductible that applies to loss or damage to the Covered Property by the Covered Cause of Loss against which the property is being safeguarded.

UTILITY SERVICES—TIME ELEMENT

This endorsement modifies insurance provided under the Business Income Coverage Forms and the Extra Expense Coverage Form.

- A.** The coverage provided for loss of Business Income, Rental Value and/or Extra Expense is extended to apply to such loss and/or expense at the Insured's premises caused by the interruption, failure or fluctuation of service to the Insured's premises. The interruption, failure or fluctuation must result from direct physical loss or damage by a Covered Cause of Loss to Utility Supply Services Property, as defined in B. and C. below, that is located away from the Insured's premises or outside of a building at the Insured's premises.
- B.** As used in this endorsement, Utility Supply Services Property means:
1. **Water Supply Services Property**, meaning the following types of property supplying water to the Insured's premises:
 - a. Water treatment plants;
 - b. Water tanks;
 - c. Water mains; and
 - d. Pumping stations.
 2. **Communication Supply Services Property**, meaning property supplying communication services, including telephone, radio, microwave or television services, to the Insured's premises, such as:
 - a. Communication transmission lines (including optic fiber transmission lines), other than overhead transmission lines;
 - b. Coaxial cables; and
 - c. Microwave radio relays except satellites.
 3. **Power Supply Services Property**, meaning the following types of property supplying electricity, steam or gas to the Insured's premises:
 - a. Utility generating plants;
 - b. Switching stations;
 - c. Substations, pumping stations;
 - d. Transformers;
 - e. Transmission lines, other than overhead transmission lines; and
 - f. Tanks.
- C.** When:
1. Overhead Transmission Lines are indicated as included in the Supplemental Coverage Declarations; or
 2. An Overhead Transmission Lines Limit of Insurance is specified in the Supplemental Coverage Declarations;

Utility Supply Services Property also includes **Overhead Transmission Lines**, meaning overhead power transmission lines supplying electricity, steam or gas to the Insured's premises and overhead communication lines supplying communication services to the Insured's premises.

- D.** All of the exclusions that apply to the Coverage Form(s) modified by this endorsement apply to this coverage except exclusion C.1.b., Off Premises Utility Services. In addition, the Company will not pay for any loss or expense under this coverage if the loss or damage to the Utility Supply Services Property results from any deliberate act or acts by the supplying utility to shed load or to maintain system integrity.
- E.** The most the Company will pay for loss or expense under this coverage is the Limit of Insurance specified for Utility Services – Time Element shown in the Supplemental Coverage Declarations. This Limit of Insurance is part of and does not increase the Business Income and/or Extra Expense Limit(s) of Insurance provided under this policy.

If a separate Overhead Transmission Lines Limit of Insurance is specified for this coverage in the Supplemental Coverage Declarations, the Overhead Transmission Lines Limit of Insurance is part of, and not in addition to the Utility Services – Time Element Limit of Insurance shown in the Supplemental Coverage Declarations.

- F.** When a number of hours is shown in the deductible item in the Supplemental Coverage Declarations for Utility Services – Time Element, the Company will pay under this coverage only for loss of Business Income or Rental Value the Insured sustains after that number of hours immediately following the direct physical loss or damage to the Utility Supply Services Property. This deductible does not apply to Extra Expense.

GENERAL CONDITIONS

All coverages included in this policy are subject to the following conditions.

A. ABANDONMENT

There can be no abandonment of any property to the Company.

B. APPLICATION OF DEDUCTIBLES

1. Any deductibles that apply are specified in the Supplemental Coverage Declarations or in the forms or endorsements attached to this policy.

Unless otherwise specified in the Supplemental Coverage Declarations, or by endorsement, when a deductible is specified as applying separately "at each affected location, in any one occurrence", or at a specific location in any one occurrence, each of the following will be considered a "location":

- a. A single address that is not part of a complex described in b. below, regardless of the number of buildings at that address; or
- b. A multiple building complex, such as an apartment complex, office building complex or industrial park, with multiple addresses, provided:
 - (1) All addresses within the complex are under the same ownership or management; and
 - (2) The complex is known by a single name; and
 - (3) All addresses within the complex are insured premises under this policy; and
 - (4) The addresses are adjacent to one another, or separated only by a street.

2. Dollar Deductibles

When the deductible that applies is specified as a dollar amount, the Company will not pay for loss or damage to which the deductible applies until the amount of loss or damage exceeds the specified deductible amount. The Company will then pay the amount of the loss or damage in excess of the specified deductible, up to the applicable Limit of Insurance.

3. Percentage Deductibles

- a. Percentage deductibles may be written as a percentage of total values or as a percentage per unit of insurance.

- b. Total Values Percentage Deductibles

When the deductible that applies is specified as a percentage of total values, the deductible will be equal to the percentage of the total values specified in the most recent Statement of Values on file with the Company for buildings, structures, personal property and rental values to which the deductible applies.

- c. Per Unit of Insurance Percentage Deductibles

When the deductible that applies is specified as a percentage per unit of insurance, the deductible will be equal to the percentage of value(s) calculated for, and applied separately to, each of the following units of insurance:

- (1) Each building or structure sustaining loss or damage;
- (2) Personal property within each building or structure if that personal property sustains loss or damage;
- (3) Personal property in the open if personal property in the open sustains loss or damage;
- (4) Business Income values impacted by the direct loss or damage to property, when the percentage deductible is indicated as applying to Business Income; and
- (5) Rental values impacted by the direct loss or damage to property, when the percentage deductible is indicated as applying to Rental Value.

The values to be used when calculating the deductible for (1), (2), (3), (4) and (5) above are either those as specified for each unit of insurance shown in the most recent Statement of Values on file with the Company or, if not so specified, or if the damaged property is a building in the course of construction or renovation, the values will be determined at the time of loss. When Business Income values or rental values are determined at the time of loss, the values will be calculated for the 12 months following the inception date of the policy term in which the loss occurs.

- d. When both a percentage deductible and a dollar deductible are specified together as applicable to a coverage or exposure, whether specified as applying in any one occurrence or specified as applying at each affected location in any one occurrence, the percentage deductible will be calculated and applied as described in b. and c. above, but the dollar deductible is the minimum amount the Company will deduct in any one occurrence, or at each affected location in any one occurrence, as specified, for all loss or damage to which the deductible is stated to apply.
- e. When a maximum dollar deductible is also specified as applicable, the specified maximum deductible is the most the Company will deduct in any one occurrence for all loss or damage to which the deductible is stated to apply.

4. Hour Deductibles

If the deductible for Business Income or any other time element coverage is specified in hours, the Company will not be liable for any loss incurred during the specified number of hours immediately following the start of the "period of restoration" or other applicable period during which incurred loss would otherwise be covered. The Company will then pay the amount of loss incurred for the remainder of the "period of restoration" or other applicable period during which incurred loss is covered, up to the Limit of Insurance.

5. Two or More Deductibles in Any One Occurrence

If any causes of loss, coverages or types of property insured against under this policy are subject to separate deductibles and two or more of those causes of loss, coverages and/or types of property are involved in any one loss occurrence, each cause of loss, coverage and type of property loss will be adjusted separately. But the total of the deductible amounts applied will not exceed the highest deductible amount applied in that occurrence for any one involved cause of loss, coverage or type of property.

This provision does not apply to:

- a. Earth Movement, Earthquake, Earthquake Sprinkler Leakage, Flood, Windstorm or Hurricane deductibles; or
- b. Any hour deductible.

6. Application of Earth Movement, Earthquake, Earthquake Sprinkler Leakage, Flood, Sewer Back-Up and Boiler and Machinery Deductibles

Any deductible shown on the Supplemental Coverage Declarations for a cause of loss listed below applies only with respect to loss or damage to which the corresponding cause of loss endorsement applies:

- a. Earth Movement;
- b. Earthquake;
- c. Earthquake Sprinkler Leakage;
- d. Flood;
- e. Sewer Back-Up; or
- f. Boiler and Machinery.

These deductibles do not apply to any loss or damage by these causes of loss that is covered in the absence of such endorsements, such as fire or explosion that results from an earth movement.

7. Any Other Covered Loss Deductible

Unless otherwise specifically stated in this policy, the deductible shown in the Supplemental Coverage Declarations for "any other covered loss" applies to all causes of loss, coverages and types of property

insured against under this policy for which no deductible is specifically shown in the Supplemental Coverage Declarations or in the forms or endorsements attached to this policy, except Extra Expense. No deductible applies to Extra Expense.

C. APPRAISAL

If the Company and the Insured disagree on the value of the property, the amount of net income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that a judge of a court having jurisdiction make the selection. The appraisers will state separately the value of the property, the amount of loss or the amount of net income and operating expense. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

1. Pay its chosen appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, the Company will still retain its right to deny the claim.

D. CANCELLATION AND NONRENEWAL

1. Cancellation

- a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to the Company advance written notice of cancellation.
- b. The Company may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:
 - (1) 10 days before the effective date of cancellation if the Company cancels for nonpayment of premium; or
 - (2) 60 days before the effective date of cancellation if the Company cancels for any other reason.
- c. The Company will mail or deliver notice to the first Named Insured's last mailing address known to the Company.
- d. Notice of cancellation will state the effective date of cancellation. If the policy is cancelled, that date will become the end of the policy period. Cancellation will not affect coverage on any shipment in transit on the date of the cancellation. Coverage will continue in full force for such property in transit until it is delivered and accepted.
- e. If this policy is cancelled, the Company will send to the first Named Insured any premium refund due. If the Company cancels, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if the Company has not made or offered a refund.
- f. If notice is mailed, proof of mailing will be sufficient proof of notice.

2. Nonrenewal

In the event the Company decides not to renew this policy, the Company will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 60 days before the expiration date.

E. CHANGES

This policy contains all the agreements between the Insured and the Company concerning the insurance afforded. The policy terms can be amended or waived only by written endorsement issued by the Company as part of this policy.

F. CONCEALMENT, MISREPRESENTATION or FRAUD

This policy is void in any case of fraud by the Insured as it relates to this policy at any time. It is also void if the Insured or any other person or entity insured under this policy, at any time, intentionally conceals or misrepresents a material fact concerning:

1. This policy;

2. The Covered Property;
3. The Insured's interest in the Covered Property; or
4. A claim under this policy.

G. CONTROL OF PROPERTY

Any act or neglect of any person other than the Insured beyond the direction or control of the Insured will not affect this insurance.

The breach of any condition of this policy at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

H. CURRENCY

It is understood and agreed that all amounts used herein are in the currency of the United States of America and that premiums and losses are payable in United States currency. In the event of a loss adjustment involving foreign currency, the conversion into the currency of the United States of America will be at the rate of exchange quoted in *The Wall Street Journal* as of the date of the loss.

I. EXAMINATION OF THE INSURED'S BOOKS AND RECORDS

The Company may examine and audit the Insured's books and records as they relate to this policy at any time during the policy period and up to three years afterward.

J. IDENTITY OF INTEREST

If the Named Insured under this policy is comprised of more than one legal entity, liability under this policy will not exceed the amount of loss had all such interests comprised a single legal entity.

K. INSPECTIONS AND SURVEYS

The Company has the right but is not obligated to:

1. Make inspections and surveys at any time;
2. Give the Insured reports on the conditions found resulting therefrom; and
3. Recommend changes.

Neither the right to make inspections, nor the making thereof, nor any risk analysis, nor any advice or reports resulting therefrom will imply any liability, or constitute an undertaking on behalf of or for the benefit of the Insured. Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. The Company does not make safety inspections. The Company does not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. In addition, the Company does not warrant that the conditions are safe, healthful or in compliance with any law, rule, regulation, code or standard.

This condition applies not only to the Company, but also to any rating, advisory, rate service or similar organization that makes insurance inspections, surveys, reports or recommendations.

L. KNOWLEDGE OF OCCURRENCE

It is hereby understood and agreed that knowledge of an occurrence, accident, claim, loss or damage, or receipt or service of complaint, demand, notice, summons or other legal papers by the agent, servant or employee of the Insured will not in itself constitute knowledge or receipt by the Insured unless an executive officer or risk manager of the Named Insured has such knowledge or receives or is served such documents or notice from its agent, servant or employee.

M. LEGAL ACTION AGAINST THE COMPANY

No one may bring a legal action against the Company under this policy unless:

1. There has been full compliance with all of the terms of this policy; and
2. The action is brought in the United States of America, in a court having proper jurisdiction, within 2 years after the date on which the direct physical loss or damage occurred.

N. LIBERALIZATION

If the Company adopts any revision that would broaden the coverage under this policy without additional premium, within 45 days prior to or during the policy period, the broadened coverage will immediately apply to this policy.

O. LIMITS OF INSURANCE

The most the Company will pay for all loss or damage in any one occurrence under this policy is the Policy Limit shown in the Supplemental Coverage Declarations. All other specified Limit(s) of Insurance shown in the Supplemental Coverage Declarations, Schedule(s), Coverage Form(s) or endorsement(s) are included within, and do not increase, the Policy Limit.

Subject to the Policy Limit:

1. The most the Company will pay in any one occurrence for any loss or damage to which a specific Limit of Insurance applies is the applicable specified Limit of Insurance.
2. Under the Property Coverage Form, unless otherwise stated in the Supplemental Coverage Declarations, or by endorsement:
 - a. Payments under the following Covered Costs and Expenses will not increase the applicable Covered Property Limit(s) of Insurance:
 - (1) Debris Removal. But if a Limit of Insurance for Debris Removal (additional) is specified in the Supplemental Coverage Declarations, that Limit of Insurance will apply in addition to the applicable Covered Property Limit(s) of Insurance;
 - (2) Fire Department Service Charge;
 - (3) Fire Protective Equipment Discharge;
 - (4) Preservation of Property;
 - (5) Protection of Property; and
 - (6) Water Damage, Other Liquids, Powder or Molten Material Damage.
 - b. The Limits of Insurance that are specified for the remaining Covered Costs and Expenses are in addition to the Covered Property Limit(s) of Insurance.
3. Under the Business Income Coverage Forms or the Extra Expense Coverage Form, unless otherwise stated in the Supplemental Coverage Declarations, or by endorsement:
 - a. Payments under the following Additional Coverage Extensions will not increase the Limit(s) of Insurance that applies to Business Income, Rental Value and/or Extra Expense:
 - (1) Civil Authority;
 - (2) Extended Business Income or Rental Value (Business Income Coverage Forms only);
 - (3) Expenses to Reduce Loss (Business Income Coverage Form Excluding Extra Expense only).
 - b. The Limits of Insurance that are specified for the remaining Additional Coverage Extensions are additional amounts of insurance.
4. Unless otherwise specified in the Supplemental Coverage Declarations, or by endorsement, when a Limit of Insurance is specified as applying separately "at each affected location, in any one occurrence" or on a per location basis, the description of a "location" contained in provision 1. of the Application Of Deductibles condition in Section B. of this form will apply.

P. LOSS PAYMENT

1. In the event of loss or damage to property covered by this policy, at the option of the Company, the Company will either:
 - a. Pay the value of lost or damaged property;
 - b. Pay the cost of repairing or replacing the lost or damaged property subject to 2. below;
 - c. Take all or any part of the property at an agreed or appraised value; or
 - d. Repair, rebuild, or replace the property with other property of like kind, size and quality subject to 2. below.

2. Except as otherwise specifically provided in this policy, the cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
3. The Company will give notice of its intentions within 30 days after the Company receives the proof of loss it requires.
4. The Company will not pay the Insured more than the Insured's financial interest in the Covered Property.
5. The Company may adjust losses with the owners of lost or damaged property if other than the Insured. If the Company pays the owners, such payments will satisfy the Insured's claims against the Company for the owner's property. The Company will not pay the owners more than their financial interest in the Covered Property.
6. The Company may elect to defend the Insured against suits arising from claims of owners of property. The Company will do this at its own expense.
7. The Company will pay for covered loss or damage within 30 days after the Company receives the sworn proof of loss it requires, if:
 - a. The Insured has complied with all of the terms of this policy; and
 - b. The Company has reached agreement with the Insured on the amount of loss or an appraisal award has been made.
8. At the option of the Company, the Company may make a partial payment toward any claims, subject to the policy provisions and the Company's normal adjustment process. To be considered for a partial claim payment, the Insured must submit a partial sworn proof of loss with supporting documentation. Any applicable policy deductibles must be satisfied before any partial payments are made.
9. If two or more of this policy's coverages apply to the same loss or damage, the Company will not pay more than the actual amount of the loss or damage

Q. MORTGAGEE INTERESTS AND OBLIGATIONS

Loss or damage, if any, as covered under this policy, will be payable to each mortgagee (or trustee) designated herein in order of their precedence as their interests may appear. With respect to the mortgagee's (or trustee's) interest, this insurance will not be invalidated by any act of the Insured (mortgagor or owner), nor by any foreclosure or other similar proceedings or notice of sale relating to the property, nor by any change in title or ownership of the property, provided that:

1. In the event the Insured (mortgagor or owner) has neglected to pay any premium due under this policy, the mortgagee (or trustee), at the request of the Company, pays the same;
2. The mortgagee (or trustee) has notified the Company of any change in ownership, occupancy or increase in the risk or hazards known to the mortgagee (or trustee) and, at the request of the Company, pays the premium for such increased risk or hazards; and
3. The mortgagee (or trustee) submits a signed, sworn proof of loss within sixty (60) days after having been notified by the Company that the Insured (mortgagor or owner) has failed to do so.

In the event the Company pays the mortgagee (or trustee) for any loss or damage covered under this policy and therefore claims that as to the Insured (mortgagor or owner) no liability existed, the Company will be subrogated to all the rights, to the extent of such payment, of the party to whom such payment was made. The Company may, at the Company's option, pay to the mortgagee (or trustee) the whole principal due plus any accrued interest. Thereupon, the Company will receive a full assignment and transfer of the mortgage and other such securities and the remaining mortgage debt will be payable by the Insured (mortgagor or owner) to the Company.

The Company reserves the right to cancel this policy at any time as provided by its terms but, in such case, this policy will continue in force for the benefit only of the mortgagee (or trustee) for ten (10) days after notice to the mortgagee (or trustee) of cancellation for nonpayment of premium or sixty (60) days after notice to the mortgagee (or trustee) of cancellation for any other reason. In the event the Company elects not to renew this policy, the Company will give written notice to the mortgagee (or trustee) at least thirty (30) days prior to the expiration of this policy.

R. NO BENEFIT TO BAILEE

No person or organization, other than the Insured, having custody of Covered Property will benefit from this insurance.

S. NO REDUCTION BY LOSS

Except with respect to any aggregate limit(s) or aggregate sublimit(s) of insurance in this policy, it is mutually understood and agreed that the amount of insurance will not be reduced by the payment of losses under this policy.

T. NOTICE OF LOSS AND DUTIES IN THE EVENT OF LOSS OR DAMAGE

1. The Insured must see that the following are done in the event of loss of or damage:
 - a. Notify the police if a law may have been broken.
 - b. Give the Company prompt notice of the loss or damage. Include a description of the property involved.
 - c. As soon as possible, give the Company a description of how, when, and where the loss or damage occurred.
 - d. Promptly make claim in writing against any other party, which had custody of the Covered Property at the time of loss.
 - e. Take all reasonable steps to protect the Covered Property from further damage, and keep a record of expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, the Company will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
 - f. At the request of the Company, give the Company complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
 - g. As often as may be reasonably required, permit the Company to inspect the property and records proving the loss or damage and examine the Insured's books and records.
Also permit the Company to take samples of damaged and undamaged property for inspection, testing and analysis and permit the Company to make copies from the Insured's books and records.
 - h. Send the Company a signed, sworn proof of loss containing the information that the Company requests to investigate the claim. The Insured must do this within 60 days after the Company's request. The Company will supply the Insured with the necessary forms.
 - i. Cooperate with the Company in the investigation or settlement of the claim.
2. The Company may examine any Insured under oath, while not in the presence of any other Insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an Insured's books and records. In the event of an examination, an Insured's answers must be signed.

U. OTHER INSURANCE

1. Underlying Insurance
Permission is granted to the Insured to purchase insurance on all or any part of the deductibles of this policy, and the existence of such underlying insurance will not prejudice any recovery otherwise payable under this policy. If the limits of such underlying insurance exceed the deductible which would apply under this policy, then the insurance provided by this policy will apply only as excess after the limits applicable to the underlying insurance, including that portion which exceeds such deductible, have been exhausted.
2. Excess Insurance
Permission is granted to the Insured to have excess insurance over the Limit(s) of Insurance set forth in this policy without prejudice to this policy. The existence of such insurance will not reduce the Company's liability under this policy.
3. Other Insurance Subject to Same Plan, Terms, Conditions and Provisions

In the event the Insured has other insurance subject to the same plan, terms, conditions and provisions as the insurance under this policy, the Company will pay its share of the covered loss or damage. The Company's share is the proportion that the applicable Limit of Insurance under this policy bears to the Limits of Insurance of all insurance covering on the same basis.

If there is other insurance covering the same loss or damage, other than that described above, the Company will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether the Insured can collect on it or not. But, the Company will not pay more than the applicable Limit of Insurance.

V. POLICY PERIOD AND TERRITORY

Under this policy, the Company will cover loss or damage that commences during the policy period as specified in the Declarations and, except as otherwise specifically provided, within the Policy Territory. The Policy Territory is:

1. The United States of America (including its territories and possessions);
2. Puerto Rico; and
3. Canada.

W. RECOVERED PROPERTY

In the event either the Insured or the Company recovers any property after loss settlement, that party must give the other prompt notice. At the option of the Insured, the property will be returned to the Insured. The Insured must then return to the Company the amount the Company paid to the Insured for the property.

1. The Company will pay:
 - a. Recovery expenses; and
 - b. Costs to repair the recovered property;
2. But the amount the Company pays will not exceed:
 - a. The total of 1. a. and 1. b. above;
 - b. The value of the recovered property; or
 - c. The Limit of Insurance;
 whichever is less.

X. SUBROGATION AND SUBROGATION WAIVER

1. Subrogation – Transit

The following subrogation provisions apply to any transit coverage provided under this policy:

- a. If any person or organization to or for whom the Company makes payment under any transit coverage provisions of this policy has rights to recover damages from another, those rights are transferred to the Company to the extent of such payment. That person or organization must do everything necessary to secure the Company's rights and must do nothing after the loss to impair them.
- b. Insurance under the transit coverage provisions will be null and void if any Insured does any act or enters into any agreement, before or after loss, which in any way releases, impairs or destroys the right to recover against any carrier for hire, or other party liable for the loss, or transfers such right to anyone other than the Company. Even if the transit coverage becomes null and void, the Company has the right to retain and recover the premium for this coverage. The Insured does have permission to accept the limited liability form receipts or bills of lading commonly used by carriers for hire without prejudice to this coverage. The Company is not liable however, for any loss that is settled or compromised without the written consent of the Company.
- c. If the Company pays for loss or advances or loans money under the transit coverage, the Insured will, upon request and at the expense of the Company, make claim upon and institute legal proceedings against any carrier, bailee or other party liable for the loss. At the option of the Company, such claims or legal proceedings may be instituted in the name of the Insured. The

Insured agrees to fully cooperate with the Company in making such claims and prosecuting such legal proceedings.

2. Subrogation – All Other Coverages

If any person or organization to or for whom the Company makes payment under this policy has rights to recover damages from another; those rights are transferred to the Company to the extent of such payment. That person or organization must do everything necessary to secure the Company's rights and must do nothing after the loss to impair them. The Company will be entitled to priority of recovery against any such third party (including interest) to the extent payment has been made by the Company, plus attorney's fees, expenses or costs incurred by the Company.

But, the Insured may waive its rights against another party by specific written agreement:

- a. Prior to a loss to Covered Property.
- b. After a loss to Covered Property or Covered Income only if, at time of loss, that party is one of the following:
 - (1) Someone insured by this insurance;
 - (2) A business firm owned or controlled by the Insured or that owns or controls the Insured; or
 - (3) The Insured's tenant.

Such waiver will not invalidate or restrict this insurance.

Y. TRANSFER OF THE INSURED'S RIGHTS AND DUTIES UNDER THIS POLICY

The Insured's rights and duties under this policy may not be transferred without the written consent of the Company except in the case of death of an individual Named Insured. If an individual Named Insured dies, the Insured's rights and duties will be transferred to the Insured's legal representative but only while acting within the scope of duties as the Insured's legal representative. Until the Insured's legal representative is appointed, anyone having proper temporary custody of the Insured's property will have rights and duties but only with respect to that property.

Z. UNINTENTIONAL ERRORS IN DESCRIPTION

The insurance provided by this policy is extended to apply with respect to loss or damage to property at locations within the Policy Territory that are owned, leased or operated by the Insured, if such loss or damage is not payable under this policy due solely to any unintentional error in the description of the address of the property. But this will not increase any Limits of Insurance that apply under this policy.

Upon discovery of the unintentional error, the Insured will report the correct information to the Company. An additional premium may be charged based upon the corrected information.

REPLACEMENT COST

This endorsement modifies the Property Coverage Form.

The following Valuation Provisions are added:

A. REPLACEMENT COST

In the event of a covered loss or damage, the Company will determine the value of Covered Property at replacement cost as of the time and place of loss, without deduction for physical deterioration, depreciation, obsolescence and depletion, except as otherwise provided in this endorsement or as stipulated by any other endorsement(s) attached to this policy. This replacement cost valuation is subject to the following conditions:

1. The Company will not pay more on a replacement cost basis than the least of:
 - a. The cost to repair, rebuild or replace, at the same site, the lost, damaged or destroyed property, with other property of comparable size, material and quality; or
 - b. The actual amount incurred by the Insured that is necessary to repair, rebuild or replace the lost, damaged or destroyed property; or
 - c. The Limit of Insurance applicable to the lost, damaged or destroyed property.
2. The Company will not pay for any loss or damage on a replacement cost basis until the property is repaired, rebuilt or replaced, and then only if such repair, rebuilding or replacement is made as soon as reasonably possible after the loss or damage. If the property is not repaired, rebuilt or replaced as soon as reasonably possible after the loss or damage, the value of the property will be determined at "Actual Cash Value". This restriction does not apply to losses less than \$25,000.
3. For property to which this replacement cost valuation applies, the Insured may make a claim for loss or damage on an "Actual Cash Value" basis instead of on a replacement cost basis. In the event the Insured elects to have loss or damage settled on an "Actual Cash Value" basis, the Insured may still make a claim on a replacement cost basis if the Insured notifies the Company within 180 days after the loss or damage.
4. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property unless a Limit of Insurance is specified for Ordinance or Law in the Supplemental Coverage Declarations, and then only to the extent provided under that coverage.
5. In the event the Insured decides to repair, rebuild or replace the damaged or destroyed property, payment will include any reasonable and necessary architectural, engineering, consulting or supervisory fees related to the construction, repair or replacement of the damaged or destroyed property. This will not increase the applicable Limits of Insurance.

B. REPLACEMENT COST EXCEPTIONS

1. Valuable Papers and Records and Electronic Data Processing Data and Media will be valued as follows:
 - a. At the Insured's cost to research, replace or restore the lost information on lost, damaged or destroyed Valuable Papers and Records or Electronic Data Processing Data and Media for which duplicates do not exist;
 - b. At the cost of blank materials or media and the cost of copying data onto blank materials or media when duplicates of the papers, records or data exist;
 - c. At the cost of blank materials or media of the same kind and quality if the papers, records or data are not replaced;
 - d. At the specified amount per article for those articles which are specifically declared, described and valued in a schedule forming a part of this policy.
2. Brands and Labels - If branded or labeled merchandise that is Covered Property is damaged by a Covered Cause of Loss and the Company takes all or part of the property at an agreed or appraised value, the Company will also pay:

- a. Any expenses incurred by the Insured to:
 - (1) Stamp the word `Salvage' on the merchandise or its containers, if the stamp will not physically damage the merchandise; or
 - (2) Remove the brands or labels, if doing so will not physically damage the merchandise. The Insured must relabel the merchandise or its containers to comply with the law.

- b. Any reduction in the salvage value of the damaged merchandise with the brands or labels removed.

But this will not increase the Limit(s) of Insurance applicable to the lost or damaged property.

- 3. "Electronic Data Processing Equipment" will be valued on a replacement cost basis as provided in Section A. of this endorsement. However, in the event replacement of "Electronic Data Processing Equipment" with identical property is impossible, the replacement cost will be the cost of items that are similar to the damaged or destroyed equipment and intended to perform the same function, but which may include technological advances.
- 4. "Fine Arts" will be valued at the least of:
 - a. The cost of reasonably restoring that property; or
 - b. The cost of replacing that property, at the time and place of loss, with substantially the same property; or
 - c. The market value of the property at the time and place of loss or, if the article of property is specifically declared, described and valued in a schedule forming a part of this policy, the amount per article specified in the Schedule.
- 5. "Finished Stock" will be valued at the selling price less discounts and expenses the Insured otherwise would have had.
- 6. Pairs, Sets, or Parts
 - a. Pairs or Sets - In case of loss to any part of a pair or set, the Company may, at its option:
 - (1) Repair or replace any part to restore the pair or set to its value before the loss; or
 - (2) Pay the difference between the value of the pair or set before and after the loss.
 - b. Parts - In case of loss to any part of Covered Property consisting of several parts when complete, the Company will only pay for the value of the lost or damaged part.
- 7. Patterns, dies, molds, and forms not in current usage will be valued at "Actual Cash Value". If loss is paid on an "Actual Cash Value" basis, and within 24 months from the date of the loss the Insured needs to repair or replace one or more of the items, the Company will pay the Insured, subject to the conditions of this insurance, the difference between "Actual Cash Value" and replacement cost for those patterns, molds and dies which are actually repaired or replaced.
- 8. Business Personal Property sold by the Insured but not delivered will be valued at the selling price less discounts and expenses the Insured otherwise would have had.
- 9. Business Personal Property of Others will be valued at the amount for which the Insured is liable, not to exceed the replacement cost.
- 10. "Stock in Process" will be valued at the cost of "raw stock", labor expended, plus the proper proportion of overhead charges.
- 11. Tenant's Improvements and Betterments will be valued at:
 - a. Replacement cost of the damaged or destroyed property (subject to the provisions of Section A. above) if the insured tenant makes the repairs or replaces promptly.
 - b. A proportion of the insured tenant's original cost if the insured tenant does not make repairs promptly. The Company will determine the proportionate value as follows:
 - (1) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (2) Divide the amount determined in (1) above by the number of days from the installation of improvements to the expiration of the lease.

- If the insured tenant's lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
- c. If repaired or replaced at the expense of others, there will be no liability hereunder.
12. "Vacant" property will be valued at "Actual Cash Value".

C. ADDITIONAL DEFINITION

The following definition is in addition to those contained in the Property Coverage Form.

"Actual Cash Value" means the cost to repair, rebuild or replace the lost or damaged property, at the time and place of the loss, with other property of comparable size, material and quality, less allowance for physical deterioration, depreciation, obsolescence and depletion.

JOINT OR DISPUTED LOSS AGREEMENT

This endorsement modifies insurance provided under the policy.

A. This endorsement is intended to facilitate payment of insurance proceeds when:

1. Both a boiler and machinery policy and this property policy are in effect;
2. Damage occurs to Covered Property that is insured by the boiler and machinery policy and this property policy; and
3. There is disagreement between the insurers as to whether there is coverage or as to the amount of the loss to be paid, if any, by each insurer under its own policies.

B. This endorsement does not apply if:

1. Both the boiler and machinery insurer(s) and the Company do not admit to any liability; and
2. Neither the boiler and machinery insurer(s) nor the Company contends that coverage applies under the other insurer's policy.

C. The provisions of this endorsement apply only if all of the following requirements are met:

1. The boiler and machinery policy carried by the named insured, insuring the Covered Property, contains a similar provision at the time of the loss or damage, with substantially the same requirements, procedures and conditions as contained in this endorsement;
2. The damage to the Covered Property was caused by a loss for which:
 - a. Both the boiler and machinery insurer(s) and the Company admit to some liability for payment under the respective policies; or
 - b. Either:
 - (1) The boiler and machinery insurer(s) does not admit to any liability for payment, while the Company contends that:
 - (a) All liability exists under the boiler and machinery policy; or
 - (b) Some liability exists under both the boiler and machinery policy and this property policy;
 - (2) The Company does not admit to any liability for payment, while the boiler and machinery insurer(s) contends that:
 - (a) All liability exists under this property policy; or
 - (b) Some liability exists under both the boiler and machinery policy and this property policy; or
 - (3) Both the boiler and machinery insurer(s) and the Company:
 - (a) Do not admit to any liability for payment; and
 - (b) Contend that some or all liability exists under the other insurer's policy; and
3. The Insured, the boiler and machinery insurer(s) and the Company agree on the total amount of the loss.

D. If the requirements listed in Paragraph C. above are satisfied, the Company and the boiler and machinery insurer(s) will make payments to the extent, and in the manner, described as follows:

1. The Company will pay, after receipt of a written request from the Insured, the entire amount of loss that the Company has agreed as being covered, if any, by this property policy and one-half (1/2) the amount of the loss that is in disagreement.
2. The boiler and machinery insurer(s) will pay, after the Insured's written request, the entire amount of the loss that they have agreed as being covered, if any, by the boiler and machinery policy and one-half (1/2) the amount of loss that is in disagreement.
3. Payments by the insurer of the amounts that are in disagreement, as described in Paragraphs 1. and 2., do not alter, waive or surrender any rights of any insurer against any other with regard to the portion of the loss for which each insurer is liable.
4. The amount in disagreement to be paid by the Company under this endorsement will not exceed the amount payable under the equivalent Loss Agreement(s) of the boiler and machinery policy.
5. The amount to be paid under this endorsement will not exceed the amount the Company would have paid had no boiler and machinery policy been in effect at the time of loss. In no event will the Company pay more than the applicable Limit of Insurance shown in the Supplemental Coverage Declarations.
6. Acceptance by the Insured of sums paid under this endorsement does not alter, waive or surrender any other rights against the Company.

E. Arbitration

1. If the circumstances described in Paragraph C.2.a. exist and the boiler and machinery insurer(s) and the Company agree to submit their differences to arbitration, the boiler and machinery insurer(s) and the Company will determine the amount each will pay and will pay the Insured within 90 days. Arbitration will then take place within 90 days after payment of the loss under the terms of this endorsement.
2. If any of the circumstances described in Paragraph C.2.b. exist, then the boiler and machinery insurer(s) and the Company agree to submit their differences to arbitration within 90 days after payment of the loss under the terms of this endorsement.
3. The Insured agrees to cooperate with any arbitration procedures. There will be three arbitrators: one will be appointed by the Company, and another will be appointed by the boiler and machinery insurer(s). The two arbitrators will select a third arbitrator. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. A decision agreed to by two of the three arbitrators will be binding on both parties. Judgment on any award can be entered in any court that has jurisdiction.

F. Final Settlement Between Insurers

The insurer(s) found responsible for the greater percentage of the ultimate loss must return the excess contribution to the other insurer(s). In addition, the insurer(s) found responsible for the greater portion of the loss must pay Liquidated Damages to the other insurer(s) on the amount of the excess contribution of the other insurer(s). Liquidated Damages are defined as interest from the date the Insured invokes this Agreement to the date the insurer(s) that contributed the excess amount is reimbursed. The interest is calculated at 1.5 times the highest prime rate from the Money Rates column of the Wall Street Journal during the period of the Liquidated Damages. Arbitration expenses are not a part of the excess contribution for which Liquidated Damages are calculated. Arbitration expenses will be apportioned between insurers on the same basis that the ultimate loss is apportioned.

EXTRA EXPENSE DEDUCTIBLE

Under the General Conditions, the last sentence of Section B., APPLICATION OF DEDUCTIBLES, which states that no deductible applies to Extra Expense, does not apply. The Extra Expense coverage provided under this policy is subject to the applicable deductible(s) indicated in the Supplemental Coverage Declarations or in the forms or endorsements attached to this policy.

CLAIM DATA EXPENSE ENDORSEMENT

This endorsement modifies insurance provided under the Property Coverage Form, the Business Income Coverage Form and the Extra Expense Coverage Form.

The following is added to the Claim Data Expense coverage:

The Company will not pay for any expenses incurred, directed, or billed by or payable to insurance brokers or agents, or their associates or subsidiaries, without the Company's written consent prior to such expenses being incurred.

TERRORISM RISK INSURANCE ACT OF 2002 DISCLOSURE

This endorsement provides supplementary information regarding the insurance provided under this policy.

On December 26, 2007, the President of the United States signed into law amendments to the Terrorism Risk Insurance Act of 2002 (the "Act"), which, among other things, extend the Act and expand its scope. The Act establishes a program under which the Federal Government may partially reimburse "Insured Losses" (as defined in the Act) caused by "acts of terrorism". An "act of terrorism" is defined in Section 102(l) of the Act to mean any act that is certified by the Secretary of the Treasury – in concurrence with the Secretary of State and the Attorney General of the United States – to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

The federal government's share of compensation for Insured Losses is 85% of the amount of Insured Losses in excess of each Insurer's statutorily established deductible, subject to the "Program Trigger", (as defined in the Act). In no event, however, will the federal government or any Insurer be required to pay any portion of the amount of aggregate Insured Losses occurring in any one year that exceeds \$100,000,000,000, provided that such Insurer has met its deductible. If aggregate Insured Losses exceed \$100,000,000,000 in any one year, your coverage may therefore be reduced.

The charge for Insured Losses is included in the total premium for this policy. The charge that has been included for this exposure under this policy is the amount indicated below, and does not include any charge for the portion of losses covered by the Federal Government under the Act:

\$ 2,000

CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

This endorsement modifies the insurance provided under this policy.

A. Cap On Certified Terrorism Losses

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and the Company has met its insurer deductible under the Terrorism Risk Insurance Act, the Company shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

B. Application Of Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.
